THE SHORTCUT TO FAST PARCEL DELIVERY

Now you can airlift urgent parcels to ten countrywide destinations by simply taking them to the Air UK check-in desk at your local airport.

Cuts the paperwork

Fastpak cuts paperwork down to size with a simple one-form procedure. All you need to do is hand in the completed form, together with your parcel at the Air UK check-in desk (no later than 30 minutes before departure) and despatch is complete. What's more, you'll know the number of the flight on which it is travelling.

Cuts the time

Fastpak delivers your parcel direct to the baggage carousel at the chosen destination, so there are no time-wasting detours or formalities. The collecting courier simply claims it as he would an item of passenger baggage.

Fastpak is available from ten countrywide airports on Air UK's route network within mainland Britain.

For more information phone Cargo Marketing on (0279) 680146.
