The following notes and those within your ticket are for general guidance only.

## TIMINGS AND FARES

These should always be checked when making a reservation.

## FARES

Published fares are subject to change without prior notice. Infants must be under two years of age, accompanied by an adult, and not occupy a seat to qualify for the infant fare. Infants travel free of charge on domestic routes. Children between two years and eleven years inclusive are carried at the child discount rate, generally 50% of the adult fare. Other fares may be available on selected routes.

## RESERVATIONS

Please make your reservations as early as possible before travel with your local travel agent or directly with Air UK. If you need to cancel your reservation please do so as early as possible, as failure to cancel may cause you to forfeit any possible refund. Also any further travel arrangements may be cancelled.

## PUBLISHED TIMES

Published times are 'local' and it should be noted that Continental Europe is generally one hour ahead of the UK, and Chicago is generally six hours behind the UK.

## SPECIAL REQUIREMENTS

At the time of making your reservation it is advisable to request any special needs you may have, for example, special meals, wheelchair, unaccompanied minors etc. In any event these should be notified to Air UK a minimum of twenty four hours before scheduled time of travel.

## CHECK-IN TIMES

The minimum check-in times are shown on page 31, however these should be checked and passengers should be sure to check in at the airport in plenty of time prior to departure.

# Fly Air UK...

Air UK is the major scheduled airline operating out of London Stansted Airport and has the interests of the business traveller at heart. Our fleet of British Aerospace 146 'whisper jets' operate on most flights, combining low noise with passenger comfort so you'll always arrive cool and relaxed.

## ...discover London Stansted.

Stansted's award-winning new terminal building

The stunning complex has a range of facilities and design features that make Stansted one of the most innovative and user-friendly airports in Europe. As a passenger you pass through the building at one level on a simple straight-line basis. A fully automated transit system connects you with the international departure satellite. And a half-hourly direct rail link offers a fast journey to the City of London.

The new Stansted also features shops, restaurants and bars, a bureau de change, duty and tax free stores, and extensive economical car parking. In addition, an on-site hotel, the Stansted Harlequin, offers 3-star accommodation, a health and leisure club, convention facilities and a shuttle to the terminal.

From Stansted you can fly to 12 UK and European destinations with Air UK – and also benefit from an international network of connecting flights via Amsterdam.
