CONDITIONS OF CARRIAGE

To the extent not in conflict with International/ Domestic air law the carriage of passengers, baggage and cargo is subject to Air UK's conditions of carriage which are available for inspection upon request at any Air UK office. The following notes and those within your ticket are for general guidance only.

TIMINGS AND FARES

These should always be checked when making a reservation.

FARES

Published fares are subject to change without prior notice. Infants must be under two years of age, accompanied by an adult, and not occupy a seat to qualify for the infant fare. Infants travel free of charge on domestic routes. Children between two years and eleven years inclusive are carried at the child discount rate, generally 50% of the adult fare. Other fares may be available on selected routes.

RESERVATIONS

Please make your reservations as early as possible before travel with your local travel agent or directly with Air UK. If you need to cancel your reservation please do so as early as possible, as failure to cancel may cause you to forfeit any possible refund. Also any further travel arrangements may be cancelled.

PUBLISHED TIMES

Published times are 'local' and it should be noted that Continental Europe is generally one hour ahead of the UK.

SPECIAL REQUIREMENTS

At the time of making your reservation it is advisable to request any special needs you may have, for example, special meals, wheelchair, unaccompanied minors etc. In any event these should be notified to Air UK a minimum of twenty four hours before scheduled time of travel.

CHECK-IN TIMES

The minimum check-in times are shown on page 27, however these should be checked and passengers should be sure to check in at the airport in plenty of time prior to departure.

Please note that due to the phased introduction of new F100 jet aircraft, some BAe 146 jet services will be replaced by F100s during the Winter Schedule.

The new Stansted also features shops, restaurants and bars, a bureau de change, duty and tax free stores, and extensive economical car parking. In addition, an on-site hotel, the Stansted Hilton National, offers 3-star accommodation, a health and leisure club, convention facilities and a shuttle to the terminal.
From Stansted you can fly to 12 UK and European destinations with Air UK - and also benefit from an international network of connecting flights via Amsterdam.

~ a top flight service

Sterling, Air UK's high quality, in-flight service is available on all jet flights, offering passengers smooth, priority treatment all the way. Exclusive Sterling check-in desks are provided at airports, and passengers with hand-baggage only may check in up to 10 minutes before departure on flights between London and Edinburgh/Glasgow. Once aboard, you'll notice the Sterling difference when your in-flight meal is served - with style as well as culinary expertise. And with complimentary drinks and a wide choice of national newspapers, you'll be at your destination before you know it.

Relaxation is also part of the service. Our Fokker 100 and British Aerospace 146 jets are designed for comfort and space. What's more, their surprisingly low noise level will allow the business traveller to work or rest peacefully during the flight.

Experience a 'World of Difference'

Air UK passengers can now participate in a major 'frequent flyer' programme, the KLM Flying Dutchman 'World of Difference'. Points earned by flying Air UK, KLM and Northwest Airlines may be accumulated and redeemed for special awards including free tickets and upgrades, luxury breaks and activities, and tax-free shopping vouchers. A brochure containing full details of the programme is available from your travel agent, or by calling Air UK on 0279 680146.
