To the extent not in conflict with International/Domestic air law the carriage of passengers, baggage and cargo is subject to Air UK's conditions of carriage which are available for inspection upon request at any Air UK office. The following notes and those within your ticket are for general guidance only.

TIMINGS AND FARES

These should always be checked when making a reservation.

FARES

Published fares are subject to change without prior notice. Infants must be under two years of age, accompanied by an adult, and not occupy a seat to qualify for the infant fare. Infants travel free of charge on domestic routes. Children between two years and eleven years inclusive are carried at the child discount rate, generally 50% of the adult fare. Other fares may be available on selected routes.

RESERVATIONS

Please make your reservations as early as possible before travel with your local travel agent or directly with Air UK. If you need to cancel your reservation please do so as early as possible, as failure to cancel may cause you to forfeit any possible refund. Also any further travel arrangements may be cancelled. Certain services may be rescheduled on public holidays - please check details when making a reservation.

PUBLISHED TIMES

Published times are 'local' and it should be noted that Continental Europe is generally one hour ahead of the UK.

SPECIAL REQUIREMENTS

At the time of making your reservation it is advisable to request any special needs you may have, for example, special meals, wheelchair, unaccompanied minors etc. In any event these should be notified to Air UK a minimum of twenty-four hours before scheduled time of travel.

CHECK-IN TIMES

The minimum check-in times are shown on page 40, however these should be checked and passengers should be sure to check in at the airport in plenty of time prior to departure.
