Amsterdam gets increased frequencies...

A number of our routes to Amsterdam Schiphol benefit from increased frequencies, with effect from this summer schedule.

- Stansted-Amsterdam increases from six to eight flights a day
- Edinburgh-Amsterdam increases from three to five flights a day
- Glasgow-Amsterdam increases from three to four flights a day
- Newcastle-Amsterdam increases from three to four flights a day

Like many of our services to Amsterdam, departure and arrival times have been aligned to KLM's onward flights - so that the resulting 'Wave' system can offer maximum convenience for worldwide travel to over 150 destinations.

...plus two new routes

Included in this timetable are the schedules of two important new routes to Amsterdam: from Birmingham and from Inverness. The Birmingham service, previously with KLM Cityhopper, is now entirely jet-operated with increased capacity. The Inverness service is the first ever international scheduled service to operate from Inverness Airport.

New codeshare routes featured

Three new destinations are offered from London City Airport, all covered in this timetable: to Dublin (codeshared with CityJet), Berne (codeshared with Air Engiadina) and Malmö (codeshared with Malmö Aviation). A Manchester-Geneva service (codeshared with Air Engiadina) is also introduced. London City has enjoyed extraordinary growth recently, and Air UK is now the leading carrier at the Docklands-based airport.

Checking in (continued)

Customers transferring at Schiphol onto connecting flights with either KLM or Northwest Airlines benefit from through check-in at their departure airport. This means just one check-in procedure, with no baggage retrieval until your final destination: you will be issued with all the boarding-cards for your onward flight(s), including all gate and seat numbers. In addition, customers flying onward to selected airports in the USA can take advantage of a pre-immigration check ('blue lane') at initial departure - thus saving time on arrival.

For greater convenience, customers may use **telephone check-in** (on 0345 666777) on all routes from the UK (except Channel Islands) plus those departing from Amsterdam and Copenhagen. This facility is available to Full Fare, Eurobudget and 3-Day Excursion customers with hand baggage only, between one and 24 hours before departure.

Full Fare, Eurobudget and 3-Day Excursion customers (together with Flying Dutchman SilverWing and RoyalWing members), with hand baggage only, may also check in whilst in the international **Executive Lounge** at London Stansted.

Executive Lounges

Flying Dutchman SilverWing and RoyalWing membership provides access to a number of Executive Lounges throughout the UK and Continental Europe. In addition, Full Fare, Eurobudget and 3-Day Excursion customers may use the Executive Lounges at Manchester, Leeds/Bradford and Stansted (international flights only). The Lounges offer a peaceful environment for pre-flight work or relaxation, plus complimentary drinks, tea, coffee and newspapers; most also offer phone, fax and other facilities.

In-flight

Air UK provides a full in-flight service, the level of which is dependent on the time of the departure and the duration of the flight. Customers on our early departures will be offered a cooked breakfast on most flights departing from the UK and a Continental-style one if flying into the UK.

During the rest of the day we serve a range of snacks or meals with complimentary drinks - once again linked to the flight duration and departure time. If you wish to check the service on a particular flight please call Air UK on 0345 666777.

A vegetarian option may be requested at the time of booking. Regrettably we cannot supply any other special meals.

Air UK weekend services are currently being reviewed and a reduced level of service may apply.

On all international flights a duty free service is available (time permitting), either by trolley or on request.

Rail and bus tickets

Tickets for the Stansted Skytrain to Liverpool Street and the Flightline coach service to Victoria may be purchased from Air UK ticket desks at Aberdeen, Edinburgh, Glasgow, Newcastle and Inverness. Flightline coach tickets will also be available from the new Customer Service desk in the International Arrivals Hall at Stansted when it opens in summer 1997. Tickets for London City's Shuttlebus to Canary Wharf and Liverpool Street are also available from the Edinburgh ticket desk.
