KLM uk

From all over the UK, to all over the world.

KLM uk has arrived

KLM uk, formed as the result of the continuing partnership between Air UK and KLM Royal Dutch Airlines, has been successfully launched. Our services will continue to offer the most convenient schedules for domestic travel - and for onward international flights from Amsterdam Schiphol.

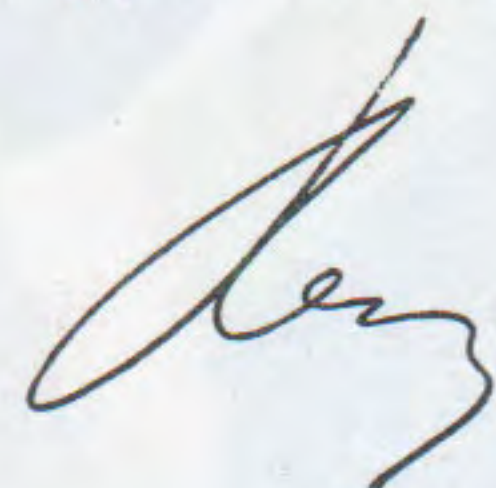

Eurowings and Braathens on board

Our German partner Eurowings is now operating flights from Stansted to Nuremberg twice daily on weekdays and once a day on Saturdays and Sundays; and to Dresden once a day except Saturdays. Our Norwegian partner Braathens commences flights from Stansted to Oslo, with effect from this summer schedule. Flights by KLM exel from Stansted to Eindhoven three times each weekday are also being introduced.

Schedule highlights

Guernsey-Amsterdam becomes a year-round service with this summer schedule. Other enhancements include frequency increases on Aberdeen-Norwich, Stavanger-Aberdeen, and Stansted-Frankfurt; and capacity increases on our Guernsey/Jersey routes from Southampton and Stansted.

Temporary take-off and landing shortages at Schiphol this summer have forced us to review our UK-Amsterdam programme. However we have increased our overall capacity by introducing jet aircraft on our Humberside and Teesside services.
