Your travel agent

From all over the UK, to all over the world.  **KLM uk**

KLM uk continues to improve its services by increasing destinations with codeshare partners and by the introduction of our new one-way fares system which allows more flexibility than ever before: three simple fare types which can be combined to suit your travel arrangements.

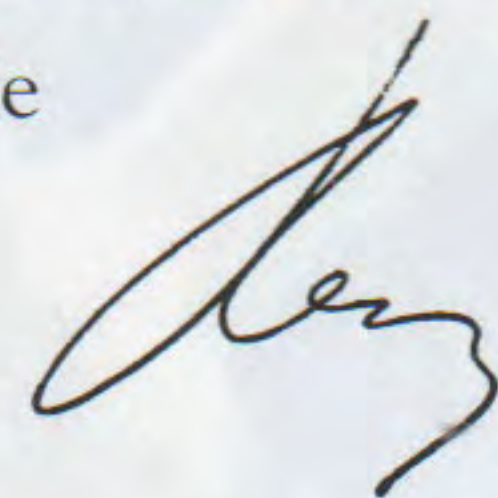

Eurowings and Braathens on board

Our German partner Eurowings is now operating flights from Stansted to Nuremberg twice daily on weekdays and once a day on Saturdays and Sundays; and to Dresden once a day except Saturdays. Our Norwegian partner Braathens commences flights from Stansted to Oslo, with effect from this summer schedule; and from London City to Stockholm (two each weekday) and Gothenburg (four flights on most days). Flights by KLM exel from Stansted to Eindhoven three times each weekday are also being introduced.

Schedule highlights

Guernsey-Amsterdam becomes a year-round service with this summer schedule. Other enhancements include frequency increases on Aberdeen-Norwich, Stavanger-Aberdeen, and Stansted-Frankfurt; and capacity increases on our Guernsey/Jersey routes from Southampton and Stansted.

The reintroduction of slots at Schiphol Airport has meant an increase in frequencies on our Amsterdam services to/from London Stansted, Edinburgh, Glasgow and Leeds Bradford. In addition, capacity has been increased on our Humberside and Teesside services following the introduction of jet aircraft on these routes.
