To Help You on Your Flight

CHECK-IN. Please allow adequate time for departure formalities and security checks and always observe the minimum check-in time shown for each service. Air Traffic Control restrictions make it necessary for flights to leave at the allocated slot time, and flights cannot be delayed. Seats may be resold if unclaimed after the minimum check-in time.

If you need to pick up tickets or require special assistance, please allow yourself a few extra minutes. Don't forget to let us know of any problems — we'll do our best to help.

BAGGAGE. We have to restrict handbaggage to ONE PIECE only, by law — please don't ask our staff to exceed these limits. The maximum size for any piece is 18" × 14" × 6", and it should not weigh more than 7 kilos.

In addition, we will carry up to 15 kilos of hold baggage free of charge. This should be locked and carry name and address labels both inside and out. Fragile and perishable items are accepted only at the owner's risk. Excess baggage can be carried, if space is available, at a charge of 20p per kilo on domestic flights.

CANCELLATIONS. Cancellation penalties apply to certain fares — it is wise to have Travel Insurance in such cases to cover the unexpected, such as illness.

Please let us know as early as possible if you cannot travel.

SCHEDULES. We know how important it is to everyone that flights should be punctual and this is our biggest single priority after safety. However, flights can occasionally be delayed and unfortunately we cannot accept responsibility for connections or expenses incurred as a result of delays caused for reasons outside our control.

We reserve the right to amend the Schedules in this timetable. Wherever possible, all passengers holding bookings at time of Schedule change will be notified direct.

CREDIT CARDS. We are happy to accept payment by cheques up to the value specified by the accompanying cheque card, or by the following credit cards:—

Access, Visa, American Express or Diners Club.

Special Fare Rules

DAY RETURN. Outward and return travel must be completed on the same day. Days of availability may be limited.

BUDGET. Outward and return reservations must be made at the same time. Maximum stay of one month and must include a Saturday night. A charge of £25 per passenger is made for any change or cancellation of reservation within eight weeks of date of outward travel. Full payment is due at eight weeks prior to date of outward travel or at time of reservation if made less than eight weeks before date of outward travel.

Strictly no refunds or changes to reservations after outward travel has commenced.

STANDBY. No reservations may be made. Travel not guaranteed. Only available on Non Stop Flights.

SHORT BREAKS. Travel must commence outside the Isle of Man. Maximum stay three nights, minimum stay two nights (must include a Saturday Night). Full payment due at time of reservation. Child fare restricted to one per accompanying adult. **Strictly no changes or cancellations. Non refundable.**

INTERNATIONAL FLIGHTS. Different Fare Rules apply to Flights to and from Dublin as detailed below.

SAVER. Payment must be made 28 days prior to outward travel, or at time of booking if within 28 days of outward travel. Minimum stay 2 nights. Maximum stay 1 month.

No cancellation or change to reservations. No refund.

WEEKEND SAVER. As for Saver Fare, except minimum stay, one night including a Saturday night.

No cancellation or change to reservations. No refund.

NOTES. Availability of these fares may be restricted to certain flights, as may the number of seats available at any time.
Private travel/cancellation insurance recommended.

CHILDREN. We welcome children on board, and will carry them at 50% of the appropriate fare up to the age of twelve (separate fares apply on Fare Cracker services).

We accept children over the age of six unaccompanied — although we have to reserve the right to restrict the number on any flight.

INFANTS. An infant under two will be carried free of charge with accompanying adult, provided that no seat is occupied, and additional infants are 50% of the domestic fare.

Infants may occupy a separate seat if required, using an approved car restraint seat (models are available from Britax and Mothercare). Restraint seats are also available from Manx Airlines on a pre-booking basis, and subject to availability. A charge of 50% of the Domestic adult fare is payable when a separate seat is occupied.

AIRCRAFT TYPE. Whilst we show aircraft types in the timetable, this is for guidance only and may be changed at any time.

PUBLIC HOLIDAYS. If travelling over the period of a public holiday, please check schedules, as they are liable to alteration.

PETS. Domestic pets may be carried by prior arrangement on certain routes. The container, which must be acceptable to Manx Airlines, will be charged for. Prices on application.

SECURITY. For your safety, all flights are subject to security checks and on certain services you may be asked to offer all your baggage for search. Please ensure that parcels, etc., can be easily unwrapped to save delay.

CONDITIONS OF CARRIAGE. The above notes are for guidance only. The carriage of passengers, baggage and cargo is subject to Manx Airlines Conditions of Carriage, copies of which may be seen at any Manx Airlines Office.

CELLULAR TELEPHONES. Passengers are reminded that the use of cellular telephones on board aircraft is prohibited under Civil Aviation Authority regulations.

NO SMOKING. In the interests of passenger health and comfort all Manx Airlines flights are non-smoking.

AIRPORT BUS. The Isle of Man Passenger Transport Board operates regular services connecting Ronaldsway Airport with Castletown, Douglas, Port Erin and Port St. Mary during the hours of airport operation. Details are available from the airport information desk and Manx Airlines ticket desk.

Current security measures may slow your progress through the terminal to check-in or your departure gate (particularly at London Heathrow and Belfast City airports, although any airport can be similarly affected).

Please try to allow yourself a little extra time so that you can accommodate these formalities without a risk of missing your flight or the stress of a last minute dash.
