## PASSENGER INFORMATION

**Kansas City Passengers** - Air Midwest passengers may purchase tickets and check in for flights at Terminal B, Gate 26.

**Denver Passengers** - The Air Midwest ticket counter is conveniently located on the upper level near doors #1 and #2.

**Wichita Passengers** - Passengers should check in at the Air Midwest ticket counter to check their bags and purchase tickets. They should then proceed to Gate 7.

**Reconfirmation** - Please reconfirm your reservations after a stopover of more than twelve hours. Reconfirmation is necessary at least six hours before departure in order to assure your reservations. If you originally booked your reservation with another carrier and to not claim your reservation with Air Midwest, and have continuing transportation, the remainder of your reservation will be cancelled.

**Check In Time For Flights** - In the interest of on-time service to all passengers, reservations not claimed twenty minutes for ticketed passengers and thirty minutes for unticketed passengers prior to the scheduled flight time are subject to cancellation.

**Military** - Military leave reservation fares, which are approximately 75% of the S class fare, permit reservations on all flights. These fares are available to military personnel of U.S.A. on official leave travelling at their own expense.

**Baggage Information** - Passengers traveling wholly within the United States (excluding Alaska), and Canada are permitted to carry three bags which do not exceed the following sizes (add greatest outside length plus greatest outside height):

| | |
|---|---|
| 1st bag | 62 inches |
| 2nd bag | 55 inches |
| 3rd bag | 37 inches |

The third bag may be checked for carriage in the baggage compartment or retained in the passenger's custody for carriage onboard, provided it is capable of being stored under a passenger's seat. Baggage in excess of this number is charged $5.00 per bag. Dogs, cats and birds are charged on a per kennel basis of $15.00 per kennel regardless of other baggage carried by the passenger.

Air Midwest will not accept for carriage as baggage any bag the total dimensions of which exceeds 80 inches or which weighs more than 70 pounds. Baggage exceeding these dimensions will be carried as air freight and charged as such.

It is required that passenger identification including name and home address be attached to the outside of all checked baggage. It is recommended that identification also be attached to unchecked baggage. Baggage labels for this purpose are available at all Air Midwest offices.

**Restricted Articles** - Articles such as compressed gases, acids, explosives, matches, flammable or combustible liquids, solids, mercury, corrosive liquids, radioactive materials and other restricted articles cannot be packed in baggage. AM or FM radio receivers and TV receivers cannot be used on board aircraft in order to avoid disturbance to the aircraft's electronic navigation equipment, nor may "visible fluid" lighters be used on board aircraft. Passengers are not permitted to carry a firearm or other deadly
