Village Flight Close-Out Times

To maintain on-time schedules a 15-minute close-out period will exist. Reservations may be cancelled on any ticketed passenger who fails to present himself for check-in at the airport ticket lifting point at least 15 minutes before scheduled departure time.

Baggage Limits

All baggage over 40 lbs. on Village flights is considered excess baggage, and will be charged at the applicable published excess baggage tariff rate. Due to limited aircraft size and restricted gross take-off weights, excess or oversize baggage presented to Alaska Airlines at departure time without a prearranged reservation for space will travel on a space available basis.

Baggage Liability

Lost or damaged baggage is limited to amounts specified in official tariffs. Specific information may be obtained upon request of Alaska Airlines.

Weapons

Only unloaded firearms may be checked as baggage.

Restricted Articles

Articles such as compressed gases, corrosives, explosives, flammable liquids and solids, oxidizing materials, poisons, radioactive materials, magnetic materials, mercury and other restricted materials shall not be carried in baggage. These items must be declared and may be restricted to all cargo flights.

Cargo

Due to varying aircraft types, restricted door openings and lack of storage facilities at most Village airports, please check with your local Alaska Air Cargo Office for conditions of acceptance and cargo size restrictions.

Children

Children under 12 may travel at 2/3 the regular adult fare. Infants up to 2 years not occupying a seat may travel free when accompanied by an adult. It is suggested that a child under 12 and traveling alone, carry with him/ her the name, address and phone number of party meeting him/her at final destination.

Village Reservation Reconfirmation

Due to limited communication facilities, all passengers traveling to or from the Villages are encouraged to reconfirm their return flight with the Village Agent.

Statement of Limited Amenities Liability

For interrupted Village flights at point of origin, or en route points, no amenities or compensation will be provided. Such flights may operate under visual flight rules to, from, and between unimproved airports with limited facilities, limited communications, limited navigational aids, and with few, if any, accommodations for travelers.

Holiday Schedules

Certain flight schedules may be changed during Holiday periods.

Due to many variable factors in Village flying, this schedule subject to change without notice.
