## Smoking Permitted

**TPA Aloha Airline, as one of the scheduled airlines of the United States, allows smoking on all Alohaliner flights.**

**Smoking is permitted on all scheduled airlines on the Mainland and elsewhere throughout the world.**

**On TPA's modern DC-3 Alohaliners there's no reason why passengers should not be permitted to smoke. Exclusive "tropic-tailored" ventilation in each TPA Alohaliner provides a complete change of sky-fresh air in the cabin every 60 seconds. Moreover, even the fabric in each Alohaliner cabin is fire resistent, meeting government requirements.**

**Smoking is prohibited only during take-off and while landing.**
