allow for abnormal air traffic, unscheduled maintenance and ground delays.

Check-in and boarding times

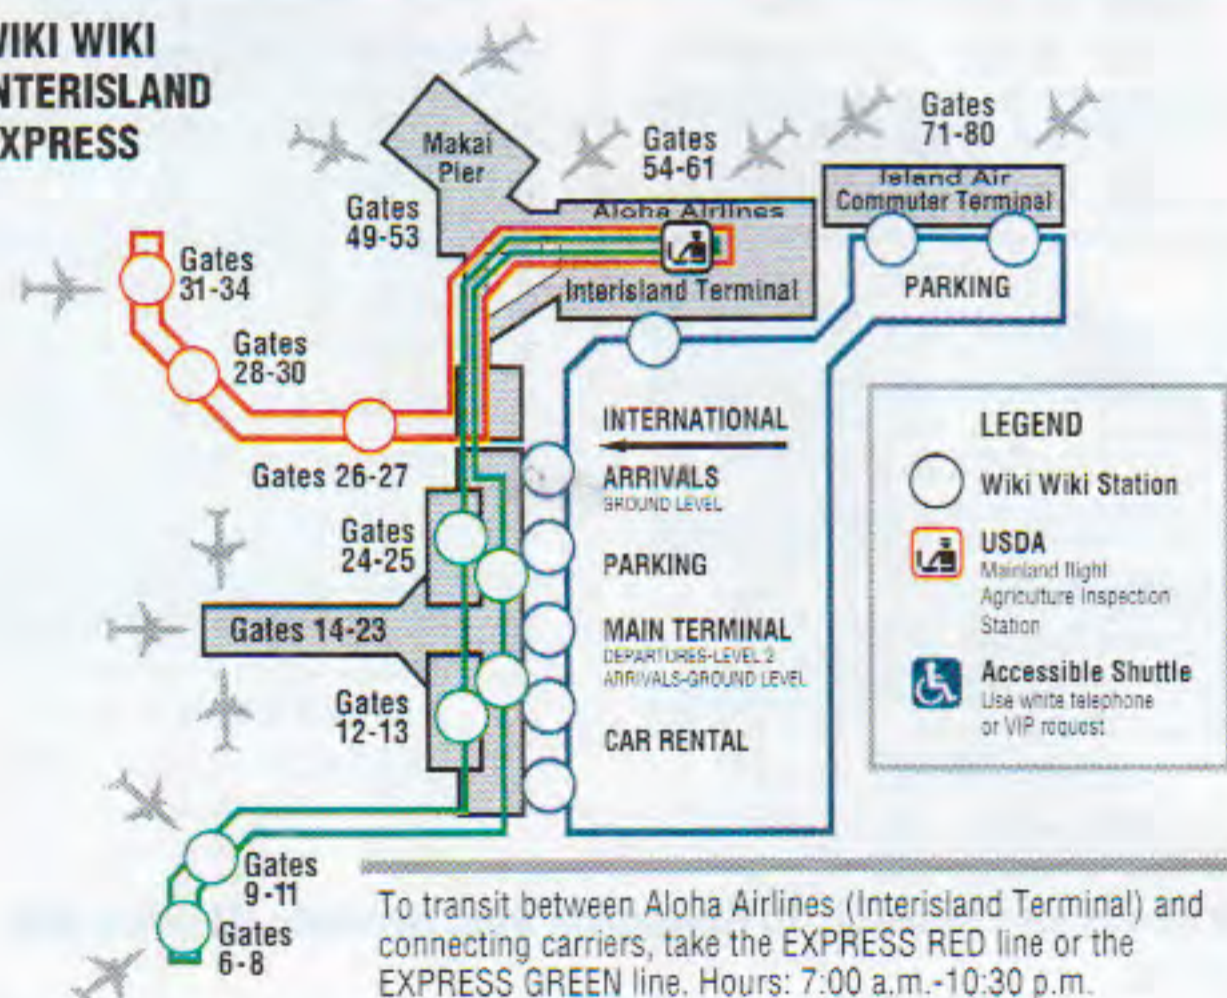

Passengers are **required** to have **completed** the check-in process at least **45** minutes prior to scheduled departure time. Due to limited size and capacity of the Twin Otter aircraft, Island Air requires a minimum of **15** minutes to make necessary mathematical calculations to ensure the aircraft is within safe limitations for weight and balance. To accept an additional passenger within less than **15** minutes of departure would require recalculation of our weight and balance, which would cause a delay for the other passengers on the flight. Reservations not claimed **15** minutes prior to scheduled departure time are subject to cancellation and passengers may not be eligible for denied boarding compensation when these requirements are not met.

Checked baggage

Checked baggage should be locked. Regulations require name identification on the outside. Liability for checked baggage is limited to \$1,250 per passenger and excludes certain items. Do not place money, jewelry, electronic or camera equipment, or other expensive items in baggage that is to be checked. Free luggage allowance (including golf bags) is 44 pounds. Excess or oversized baggage will be handled for \$10 per piece. Specialty items under 6 feet including bicycles, surfboards or pets will be handled for an additional fee. All excess baggage and specialty items will be accommodated on a **space available** basis.

Partnership Service from Aloha Airlines and United Airlines

TIMETABLE

Aloha Airlines is pleased to announce its **Partnership Service** in conjunction with United Airlines. Working as a team, Aloha and United have scheduled convenient connections in Honolulu to major U.S. mainland destinations as well as selected destinations in Asia. The following timetable shows our convenient **Partnership Service** routings between the Neighbor Islands and points served by United from Honolulu.

Interisland **Partnership Service** will be operated by Aloha Airlines as United Airlines flights and are designated by flight numbers in the 4000 to 4499 range. Within Hawaii, you will continue to fly on Aloha's modern Boeing 737-200, 737-300 and 737-400 aircraft, and to arrive and depart from the Aloha terminal on all islands.

Flight reservations and ticketing information for all **Partnership Service** flights can be obtained by calling United Airlines at the following numbers: **Oahu 547-2211; Kauai 245-9533; Maui 242-7911; Hawaii 961-2811.**

Airport Check-in

Passengers flying on interisland **Partnership Service** flights must check in at Aloha Airlines airport counters. As a reminder, all baggage to be checked from Lihue, Kahului, Kona and Hilo through to a final destination outside Hawaii must first pass through agricultural inspection. Agricultural inspection stations are operated by the USDA in airport lobbies, near the Aloha Airlines ticket counters.
