NOW... the Family Half-Fare Plan is effective on 4 DAYS A WEEK

The shaded areas on the calendar are fare-saving days under American's expanded Family Half-Fare Plan, now in effect on four days a week instead of three. From 12:01 Monday afternoon until 12:01 Thursday afternoon you can take your family with you at half the regular fare.

You buy a full-fare ticket at the regular Flagship one-way rate, and your spouse and/or all your children, from twelve through twenty-one, fly at half the Flagship one-way rate. Children under twelve travel half fare any day of the week, and a baby under two goes free when accompanied by a full fare paying passenger.

For Reservations or Information see your Travel Agent or any American Airlines office. See Page 46 for American Airlines offices in your city.

America's Leading Airline

The first nonstop DC-7 aircoach service coast-to-coast!

New York—Los Angeles \$99 plus tax
Washington—Los Angeles \$98 plus tax

American's new "Royal Coachman" is not only the *fastest* transcontinental aircoach in service, but the *most luxurious* aircoach service in history. You can *reserve* your seat when you buy your ticket. There is a spacious passenger lounge and fine meals are served, available at economical prices.

"The Royal Coachman" is an *all-coach* service, operating every day in the week. For reservations on this new luxury aircoach, see your travel agent or call your nearest American Airlines ticket office.

HOW TO USE THE TIMETABLE

TABLES—Four types of tables are contained in this timetable. (a) Condensed tables showing nonstop and minimum stop Flagship and Aircoach services, (b) Service tables which are designed to show the relationship of intermediate cities, (c) International tables showing service to points in Canada and Mexico, and (d) an Interchange table showing through service between points on American Airlines and points on Continental Air Lines, Delta Airlines and National Airlines.

CONNECTIONS—Primary connections are shown in the tables by use of an arrow at the city of connection.

EQUIPMENT—Convair Flagships are operated on all flights not otherwise designated.

MEAL SYMBOLS—On Flagship flights meal symbols indicate the type of Deluxe Complimentary meals and the point, en-

route, out of which the meals are served. On Blue Ribbon DC-6 Aircoach flights meal symbols indicate stations where Flite Buffet meals may be purchased at a nominal cost for In-Flight Dining. On The Royal Coachman, Deluxe DC-7 Aircoach, meal is served aloft at a nominal charge—purchase meal ticket before departure.

TIMES—For your convenience Arrivals and Departures are shown in LOCAL TIME as observed in each city whether Daylight or Standard. Light face type (10.40) denotes AM times. Bold face type (10.40) denotes PM times.

INDEX—The index on the previous page is designed to assist you in locating your desired service more quickly and easily.

TABLE OF CONTENTS—The table of contents is designed to assist you in locating the various sections contained in this timetable.

HOW TO USE THE INDEX

The index consists of two parts. A "Quick Reference Index" and an "Index of Cities Served." To use the "Quick Reference Index," locate your origin and destination cities in the vertical and horizontal lists. Find the table number between the pair of cities to locate the desired service. If any pair of cities do not appear in the "Quick Reference Index," they may then be found in the "Supplementary Index of Cities Served." Common table numbers found in

this listing will indicate the location of the desired service. Should no table numbers coincide, reference to the System Map on page 47 will facilitate the location of a common junction point between the desired cities. Turn to the "Supplementary Index of Cities Served" and use the tables opposite your originating and terminating cities, in conjunction with the map, to determine those tables containing a common city which will provide the junction point between the tables showing your origin and destination.

Supplementary Index of Cities Served (Figures shown refer to **TABLE NUMBERS** only)

FOR YOUR CONVENIENCE, Arrivals and Departures are shown in LOCAL TIME as observed in each city.

AMERICAN AIRLINES

For all Scheduled Airlines

NEW "CONFIRMED TICKET PICK-UP" POLICY

How it helps you get seats

For many years you and the Scheduled Airlines have been up against the problem of "no shows" and individuals who cancel their reservations too late to free their seats for you or others. Now, to serve you better, the airlines have a new "Confirmed Ticket Pick-Up" policy which requires you to have your reservation recorded on your ticket *within an agreed upon time*. This plan has been adopted by *all* the Scheduled Airlines to help you get reservations when you want them.

AMERICAN AIRLINES

America's Leading Airline

How it works—Just follow these simple rules

1. Pick up your *confirmed* ticket—indicating your positive reservation—by the time *agreed on* between you and American Airlines. Otherwise we are obligated to cancel your reservation.
2. Our reservations agent will give you full details on the many convenient ways available to you in securing your confirmed ticket. You can pick it up at any American ticket office, or at your travel agency, by mail or by messenger service to your home or office. If time is short, you can handle it through telegraphic money order. Or ask for "Will Call" service. Your ticket will be ready and waiting for you at the ticket office you specify.
3. In your own interests, cancel your unusable reservation *as soon as* you know you won't be needing it.

FOR SERVICE DURING THE CHRISTMAS AND NEW YEAR HOLIDAY PERIODS REFER TO PAGE 44.
