PURCHASES IN MEXICO — Some of Mexico's beautiful and novel souvenirs are subject to export duty which will be collected on departure at the Mexico City or Monterrey airport. These export duties are entirely separate from any duties imposed by the United States Government for importation of the same articles. It is recommended that passengers consult the American Airlines Office in Mexico concerning these export duties so that they may arrange their purchases accordingly.

TICKETS AND TAXES — Passengers holding return space, whether ticketed or not, must present their international documents and tickets to American Airlines Office in Mexico City or Monterrey by 1:00 P.M. of the day before their scheduled departure or it will be assumed that they wish their return reservations to be cancelled. The U. S. transportation tax will be collected at the time you buy your ticket. Mexican transportation tax, varying from \$.45 to \$2.25 depending upon the value of the ticket, will be assessed at the time you check your return reservations.

Excess baggage carried upon special arrangements and at the rate per pound of approximately one-half of one per cent of the published air passenger fare, subject to a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars (\$100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to \$2,500.00 on each full fare ticket.

CHILDREN — One child under two years of age, not occupying a seat, will be carried free with each accompanying passenger twelve years of age or over.

EQUIPMENT — All schedules in United States, Canada and Mexico are operated with Douglas "Flagship Club" Airplanes, except flights 801, 802, 815, 816 which are operated with Douglas Airfreighter equipment. Equipment is scheduled to operate through, as shown.

Transatlantic schedules are operated with Vought-Sikorsky 4-engined flying boats.

FARES — All fares are shown herein for information purposes only, and are subject to correction and change without notice. Official tariffs are on file and open for public inspection at any American Airlines office.

FOUNTAIN PENS, LIQUIDS, ETC. — Due to changes in atmospheric pressure, fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to wrap pens and containers securely, when placed in handbags, to insure against damage to other articles.

GENERAL — The use of alcoholic beverages is not permitted on planes.

GROUND TRANSPORTATION — Ground transportation service is available at reasonable rates in all cities served by American Airlines System. See page 14. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten minutes before plane departure time on domestic flights.

In any event the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

PASSAGE CANCELLATION BY PASSENGER — The purchaser may receive a refund for unused transportation providing reservation is cancelled prior to departure.

REFUNDS — Requests for refunds on tickets issued by American Airlines, Inc., should be addressed to the Assistant Treasurer, American Airlines, Inc., 100 East 42nd St., New York 17, N. Y.

RESERVATIONS — American Airlines welcomes advance reservations. Reservations for unticketed passengers will be held only for a reasonable time; if a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold.

STEWARDESSES — Stewardess service on all American Airlines flights.

STOP-OVER — Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

TAXES — Any ticket taxes imposed by Governmental authority are in addition to transportation fare, and will be collected wherever effective.

TIME-TABLES — These time-tables show the time at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this publication without notice to the public.

UNSCHEDULED LANDINGS — The needs of the War Program require that the maximum amount of space be made available on all flights for the transportation of passengers and cargo. On certain flights it will, therefore, occasionally be necessary to make unscheduled landings at intermediate airports enroute for fuel.
