1/2 FARE CALENDAR

YES, the big saving days in the calendar are shaded. For on any Monday, Tuesday or Wednesday you can take your wife (or husband) and all your children from twelve through twenty-one at half the regular one-way fare. All you do is buy a full fare ticket at the regular one-way rate. Children under twelve travel at half fare every day in the week and a baby under two goes free when accompanied by a full fare paying passenger. Travel the first of the week and save —

via AMERICAN AIRLINES.

AMERICA'S LEADING AIRLINE

AMERICAN AIRLINES brings you *faster, finer service* with the DC-7 FLAGSHIP

FASTEST between New York and Los Angeles

American adds another DC-7 Nonstop Mercury flight between New York and Los Angeles. Now you have a choice of 3 daily flights, eastbound and westbound. The DC-7 Nonstop Mercurys have cut almost three hours from previous coast to coast flight times. This matchless travel time is made possible by the 365 mph cruising speed of the world's fastest piston-powered airliners.

FASTEST between Chicago & Los Angeles & New York

Again American sets the pace with the DC-7 Flagship. Only American links three of the nation's largest cities with DC-7 Flagships, fastest of any airline.

FASTEST between Detroit and Los Angeles

American's DC-7 Flagship service between Detroit and Los Angeles is faster than any other airline. It is the only through service with no change of planes.

Wherever DC-7 Flagships Fly
There is nothing finer,
There is nothing faster

FASTEST between San Francisco and New York

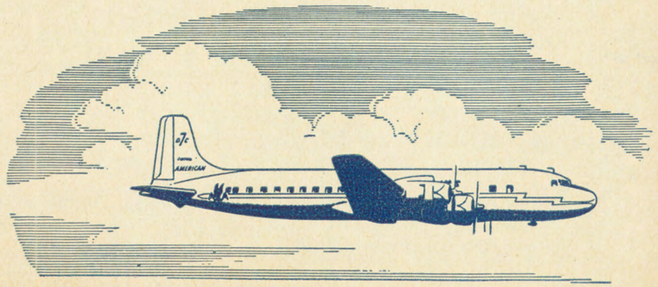

DC-7 Flagship service between San Francisco and New York provides the fastest service of any airline between these cities. You have a choice of two flights — The Golden Gate or The Southerner.

FASTEST between Dallas & San Francisco & New York

The DC-7 Flagship, *The Southerner*, has lowered flight times from Dallas to New York by 50 minutes and by 1 hour and 10 minutes to San Francisco.

FASTEST between Dallas and Los Angeles

The matchless speed of the DC-7 Flagships has lowered travel time between Dallas and Los Angeles, cutting a full hour from the fastest previous flight times between these cities.

DURING THE MEMORIAL DAY WEEKEND CERTAIN FLIGHTS WILL NOT OPERATE; Consult American Airlines For Details.

GENERAL INFORMATION

AIR TAXI SERVICE—This service is available at many airports to off-line points at reasonable rates. Companies operating this service are members of the National Air Taxi Conference. Call any American Airlines office for information.

BAGGAGE—Following rules apply:
Free Allowance within the United States and Canada, 40 pounds; Mexico Flagship Service 66 pounds; Aircoach Service 44 pounds. Children transported free of charge receive no free baggage allowance. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment.
Excess baggage may be accepted, space and weight permitting at the rate of ½ of one per cent of the applicable first-class one-way adult fare per pound regardless of service used except that for transportation to or from points outside the U.S. and Canada the rate for excess baggage shall be one per cent of the applicable first-class one-way adult fare per kilogram, regardless of class of service used.
Liability of Carrier for any personal property, including baggage whether or not checked or otherwise delivered into the custody of Carrier, is limited to $100 for each passenger unless a higher valuation is declared and the additional charges required therefor paid before the transportation by air commences. Total valuation is limited to $25,000 on each full fare ticket for which a fare is paid except as otherwise provided in applicable tariffs.
Pets—Domestic cats or dogs only will be carried except on DC-6 Aircoach equipment, subject to a weight limitation of 45 pounds including the weight of a suitable container, as excess baggage at owner's risk and subject to tariff regulations.
NOTE: Acids, matches, lighter fluid, liquids and other hazardous articles must not be packed in your baggage. Fragile and perishable articles are carried at the risk of the passenger.

CANCELLATION BY COMPANY—
Reconfirmation of Reservations—YOUR RESERVATION WILL BE CANCELLED unless you reconfirm.
You Must Reconfirm:
1. If you hold a reservation on a flight leaving 12 hours or more after you are scheduled to arrive. This applies to return trip as well as a continuing trip.
2. If you have not given a telephone contact to the airline at the city where your flight begins.
To Reconfirm:
Simply inform the airline at the city where you are boarding your flight, of your intention to use your reservation. You may do this on arrival or at your convenience but be sure to reconfirm at least 6 hours before scheduled flight departure in the United States or Canada. In Mexico: If you are using American Airlines, get in touch with us at least 24 hours before departure to reconfirm and also have your documents checked at this time. Reconfirmation of reservations is now required by all the scheduled airlines in order to free additional seats for immediate use.
Other Conditions—The company reserves the right to cancel continuing and/or return airline space if passenger fails to use the flight on which passage was arranged to the connecting or return city without first notifying the Company of his desired disposition of such continuing, connecting or return space.
The company reserves the right to cancel bookings before passage or enroute whenever such action is deemed advisable or necessary.
Captain may remove passenger from plane at any point on the route for safety or other cause. In any event, the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untravelled.
CANCELLATION BY PASSENGER—It is requested that reservations be cancelled as soon as it is known that space will not be used, thus making such space available to other passengers. (Not applicable in connection with travel to or from Mexico.) If a ticket for a DC-6 Aircoach service is presented either for refund or for re-issuance for use on another flight later than three (3) hours before scheduled departure of the DC-6 Aircoach service specified thereon, and the reservation was not cancelled before such time, a penalty will be assessed.
CHILDREN—Children under twelve years of age will be charged one-half the adult fare, except that one child under two years of age, not occupying a seat, will be carried free with each accompanying full fare passenger twelve years of age or over. Children under eight years of age will not be accepted for transportation unless accompanied by a passenger at least twelve years of age.

CLAIMS—Written notice of claims with respect to baggage and all other claims must be filed within 45 days with any office of American Airlines, Inc. Suits must be filed within two years from date of loss or damage.
DEPARTURES—In the interest of improving on-time service to all passengers, persons are requested to be at airport ticket lifting points approximately fifteen minutes before published departure time.
INSURANCE—Trip insurance is available at all airlines offices
INTERNATIONAL TRAVEL—The following documents are required by U. S. citizens proceeding direct to country of destination:
To Canada: Proof of U. S. citizenship and proof of sufficient funds.
To Mexico: For Pleasure Trips—(1) Proof of U.S. citizenship (2) Mexican Tourist Card — from any Mexican Tourist Bureau or Mexican Consulate and (3) Smallpox Vaccination Certificate not more than three years old. For Other Trips — see American Airlines Mexico folder, or contact any American Airlines office.
Smallpox Vaccination Certificate not more than 3 years old is required of passengers entering the U. S. from Mexico and must show the specific type of reaction.
To any other country: Contact any American Airlines office or your Travel Agent.
The above documentary requirements are given for information only and are subject to change without notice.
Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.
Baggage of international travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.
Residents of the United States are permitted to bring back, duty free, $200 in merchandise acquired outside United States, provided the traveler has been away from the United States more than 48 hours (except to Mexico where no minimum time is prescribed) and this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300 additional allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.
For more detailed information on travel documents and baggage restrictions for international travelers, see American Airlines Mexico folder, or contact an American Airlines office or your travel agent.
MEALS—Served without charge on standard flights as indicated in timetables. Reasonably priced box lunches are available for passengers using DC-6 Aircoach service, if desired, at ground stations enroute.
REFUNDS—Requests for refunds may be made at any American Airlines' Ticket Office or directly to: Director of Revenue Accounting, American Airlines Inc., 910 South Boston, Tulsa, Oklahoma.
RESERVATIONS—Advance requests for space are desirable, and reservations are tentative until tickets have been purchased. If a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold. (See "Cancellation by Company" for other conditions under which reservations may be cancelled even though ticket had been purchased.)
SCHEDULES—Schedules shown are expected departures and arrivals, subject to change without notice, and are not guaranteed.
STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly. Stop-over privileges are also permissible on the DC-6 Aircoach service subject to the payment of the combination of fares over the point of stop-over.
The above information is, in part, excerpted from rules published in tariffs filed with applicable government authorities. All transportation is sold subject to these tariffs and copies are on file and open for public inspection at all American Airlines ticket offices. For further details concerning any of the above or for additional information call or visit any American Airlines office or authorized travel agent.
