More from Shore to Shore!

In March, American increased its nonstop service between New York and Los Angeles by 50 percent. We added two round-trip widebody flights between Kennedy and Los Angeles International airports, bringing our total departures to six flights in each direction every business day.

By mid-July, American will have eight trips each way. Plus we're adding two round-trip flights between Newark and Los Angeles during July and August. Additional round-trip nonstop service is scheduled for summer introduction on transcontinental routes including New York/Kennedy-San Francisco and Los Angeles-Boston.

All of American's shore-to-shore service will be flown with spacious widebody aircraft. We're redesigning the First Class cabin on our DC-10s to give passengers more comfort and legroom. We've recently introduced new First Class menus featuring fine American cuisine on our shore-to-shore flights.

When your plans call for traveling from shore to shore fly American. For reservations and information, call your Travel Agent, Corporate Travel Department or American Airlines at (800)433-7300.

We're AmericanAirlines.
Doing what we do best.

Dallas/Fort Worth

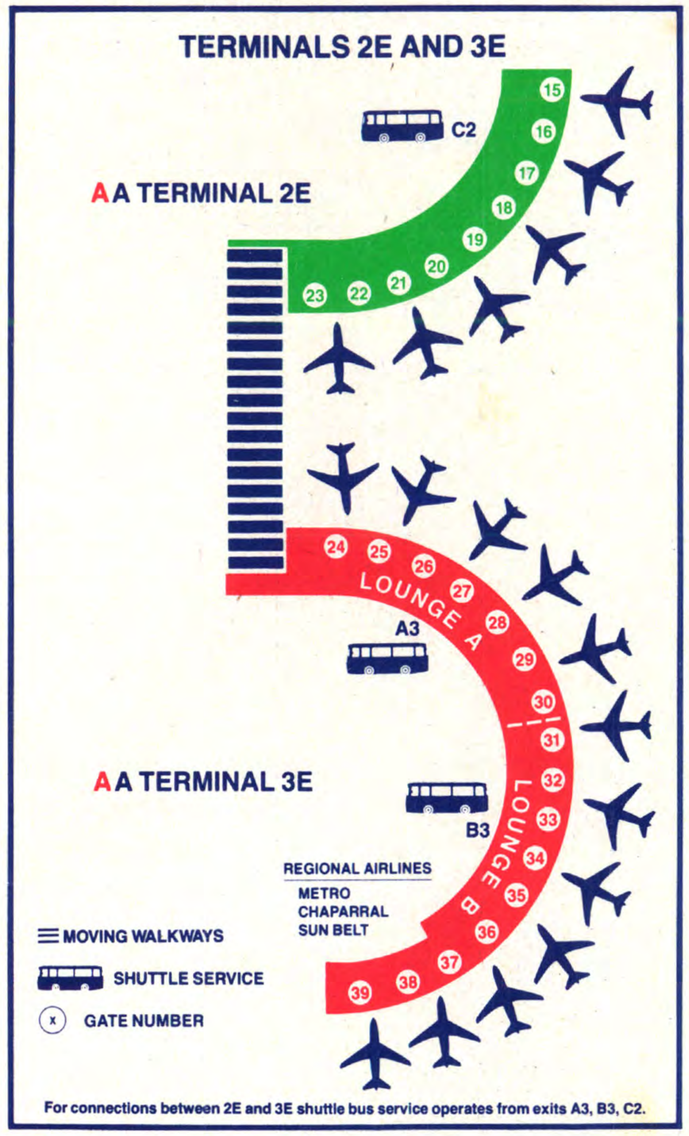

Dallas/Fort Worth Regional Airport
Automated Flight Information 267-2222

American Airlines is the largest carrier at Dallas/Fort Worth Airport with more than 270 flights a day to more than 70 business and pleasure destinations in the U.S., Canada, Mexico, the Caribbean and Great Britain.

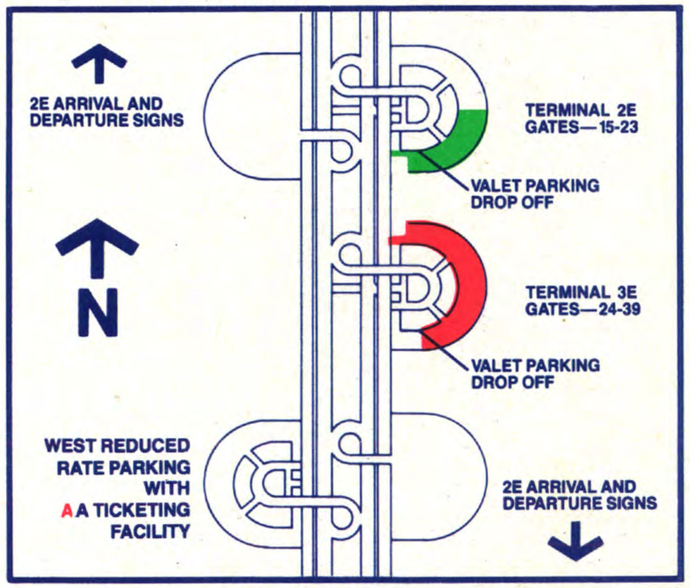

All American flights at Dallas/Fort Worth—arriving and departing—are located in terminals 2E and 3E. These two terminal buildings are linked by an enclosed moving sidewalk plus shuttle-van service that stops on the upper level of each terminal. Each terminal now features our new *transA*Action℠ Personal Travel Center. These easy-to-use self-service Centers allow you to purchase your tickets and obtain boarding passes if you already have a reservation. All that's required is a major credit card. The *transA*Action Centers are conveniently located adjacent to each ticket counter including the ticket counters in the West Reduced Rate parking area.

Passenger parking has also been expanded at the West Reduced Rate area and at the close-in parking areas at terminals 2E and 3E. Another American exclusive at Dallas/Fort Worth—Valet Parking—costs only $5.00 plus close-in parking fees. Or when plans allow, you may wish to use the West Reduced Rate parking facility located south of the American terminal, with ticketing and baggage checking facilities conveniently located there. Courtesy bus service to the terminal is scheduled every 10 minutes between the hours of 6:00 a.m. and 10:00 p.m. daily. Between 10:00 p.m. and 6:00 a.m., a free call on our dispatch phone will send a complimentary shuttle to pick you up quickly.

A reference map of American's Dallas/Fort Worth facility appears on the overleaf. AMERICAN…getting more people where they want to go, conveniently. Just one of the things we do best.

Airport Overview

Chicago O'Hare Airport is American Airlines major hub in the Midwest. One hundred and fifty flights take off daily for U.S. mainland destinations as well as Mexico, Canada and Alaska. From American's convenient "H" and "K" gates, passengers can easily connect to more than 70 other cities including Dallas/Fort Worth, Houston, Las Vegas, Los Angeles, Honolulu, Phoenix, Mexico City, San Antonio, San Diego, San Francisco, Washington, D.C., Baltimore, Toronto, Canada and, of course, New York.

Since 1950 American Airlines has led the airline industry in its daily service from Chicago to the Big Apple. We now offer 19 round trips every business day including hourly service to La Guardia every hour on the hour from 7:00 a.m. to 8:00 p.m., plus an early bird departure at 6:15 a.m. American features eight widebodied 767s to La Guardia complementing our 727 fleet. No one has more service to La Guardia.

Throughout the "H" and "K" concourses, the ticket counter area and on the lower level, American has installed flight information video screens which enable passengers and visitors to verify flight arrival and departure times at a glance.

American's new *transA*Action℠ Personal Travel Centers are conveniently located at positions 1 and 2 of the ticket counter. These easy-to-use self-service Centers allow you to purchase your tickets and obtain boarding passes if you already have a reservation. All that's required is a major credit card.

Video screens in the baggage service area on the lower level indicate at which area specific flights will have baggage unloaded. And racks of Smarte-Carts are conveniently placed to assist the passenger who may prefer to "roll his own" luggage. Sky Caps and courtesy wheelchairs are available upon request.

We've included a reference map of American's facility at O'Hare featuring our "H" and "K" concourses and arrival and departure locations.

AAdvantage®

American's AAdvantage program was the first frequent flier program in the airline industry and is still the most innovative. Members can qualify for travel awards ranging from First Class upgrades to free trips.*

When we receive your AAdvantage application, we issue you a personal AAdvantage number and membership card. Only travel taken after you receive your AAdvantage identification number is credited toward AAdvantage awards.

AAdvantage participants earn mileage credits for all American Airlines and Frontier Airlines flights as well as British Airways flights to and from the U.S and London. Participants in the program also accrue AAdvantage mileage on all purchased Holland America Cruises. All you do is travel, we do the rest.

So pick up an AAdvantage application at your nearest American Airlines ticket counter or from a flight attendant the next time you fly American.

*AAdvantage mileage credit and awards to and from international destinations are subject to foreign government approval. AAdvantage rules, regulations and special offers are subject to change without notice.

We're AmericanAirlines.
Doing what we do best.

AA Luggage Tips

At American, we do all we can to make sure that our passengers and their luggage arrive in the same place at the same time. To help us do still better, please follow these 12 luggage and packing tips:

1. Use sturdy, lockable luggage. Choose luggage that is strong and can be locked. We recommend use of combination locks. Arrange any necessary repair or replacement of older bags before your trip.

2. Use external name tags. We can return a misplaced bag faster if your name and address are on it. Any AA ticketing location or baggage service office will be glad to provide free tags. Be sure your name and address are inside each bag, too.

3. Remove old destination tags. To avoid possible confusion, take off the destination tags from your previous trips.

4. Make lists of luggage contents. List the contents of your bags and keep the list with you. You can help us identify a misdirected bag by giving us an accurate list of its contents.

5. Avoid overpacking your bags. Overpacking can damage your bags and their contents. Pack only what your luggage can comfortably hold. Be particularly careful with canvas or similar soft-sided bags.

6. Treat fragile items with care. Pack small breakable souvenirs in your carry-on bag. Have larger breakables carefully packed for shipment. Tighten the tops of liquid containers before packing them.

7. Keep your valuables with you. Do not check house or car keys, insulin or other medication, money, jewelry, legal documents, passports, tourist cards or other valuable or negotiable items.

8. Follow carry-on luggage regulations. Carry-on bags must fit under your seat. Maximum allowable size is 9 inches by 13 inches by 23 inches. While our airplanes have some space for larger bags and garment bags, it is quite limited. Check them if you can.

9. Check in early for flights. Check in at least 30 minutes before scheduled departure for domestic flights, an hour before on international trips. Remember to allow enough extra time for the lines that are always a part of air travel during the peak times of the year. Early check-in gives us time to get your luggage to your plane; a last-minute check-in means the bags may still be in the terminal when you are in the air.

10. Monitor the luggage you check. Wait at the curbside or ticket counter until our agent or Skycap has tagged your bags. Double-check to be sure the tag receipt shows the right destination. Keep the receipt in a secure, easily accessible location.

11. Allow ample connecting time. An airline cannot connect bags as quickly as it connects passengers. Follow the scheduling advice of your Travel Agent or AA reservations agent.

12. Remember that bags look alike. Do not rely on style or color when reclaiming your luggage. Match the number on the bag tag with your tag receipt and check your ID tag before leaving the claim area.
