TODAY'S NEED IS SPEED — SEND IT AIR MAIL

In today's emergency, time is America's most priceless commodity. You can SAVE time by sending your letters air mail. They'll arrive first — be handled first! Needless waste hours will be eliminated whether your mail goes for National Defense, for business or for personal reasons. Put "wings" on your letters — send them the swift efficient way — by AIR!

ONE WAY TO
HELP YOUR COUNTRY WIN THIS WAR

The airlines today are carrying thousands of persons whose travel is essential to our war effort. At the same time the airlines have removed aircraft from passenger operations to perform vital cargo services for the army. To do these two jobs simultaneously and successfully we need your cooperation. So please —

Do Not ask us to hold unticketed reservations for you.

Do Not ask us to hold more than one reservation for you because of uncertain plans.

Cancel your space promptly as soon as changed plans prevent your using the space reserved.

Do not make speculative reservations.

Do not be a "no-show."

If all air travelers will assist in these things, it will speed up the reservation service we can give you and there will be greater assurance of a seat for you when you want it.
