How BRANIFF'S New  
**INSTANT-CONFIRMATION**  
Reservations System  
Works

Reservationist on telephone has chart showing Braniff flites. Unless chart shows prior commitment of space you desire, your reservation is instantly confirmed. Any Braniff office sells any seat on all Braniff flites.

When your seat is confirmed, a message is instantly sent from local Braniff office to Reservations Control Center. When all seats are sold on a flite, a "stop sale" message is teletyped to all selling offices.

Should a "stop sale" appear on requested flite, reservationist instantly offers you a seat on an alternate schedule. With more than 5,300 seats for sale daily, there is certain to be a Braniff flite to suit your plans.

"Leaving" times of Braniff flites in this folder are times at which flites actually depart. "Arrival" times shown are times airplane arrives at unloading gate. Enplaning passengers must arrive at airport at least ten minutes before leaving times shown. Your co-operation will help us operate without delays.
