1/2 take the family at half fare

Every Monday, Tuesday and Wednesday, Dad's regular fare ticket lets him take Mother and children (under 22) along at half fare. Or if Dad can't go, Mother can take the children at half fare when she buys a regular ticket. Same deal is good for the return trip, too — just so you start your trip anytime on Monday, Tuesday or Wednesday. This means you can start your travel as late as one minute before midnight Wednesday and continue traveling Thursday at family plan rates. Of course, children under twelve fly at half fare anytime and those under two years free. Why not combine business with pleasure and take the family next trip?
