PALISADES ALONG HUDSON

LAKE GEORGE—LAKE CHAMPLAIN

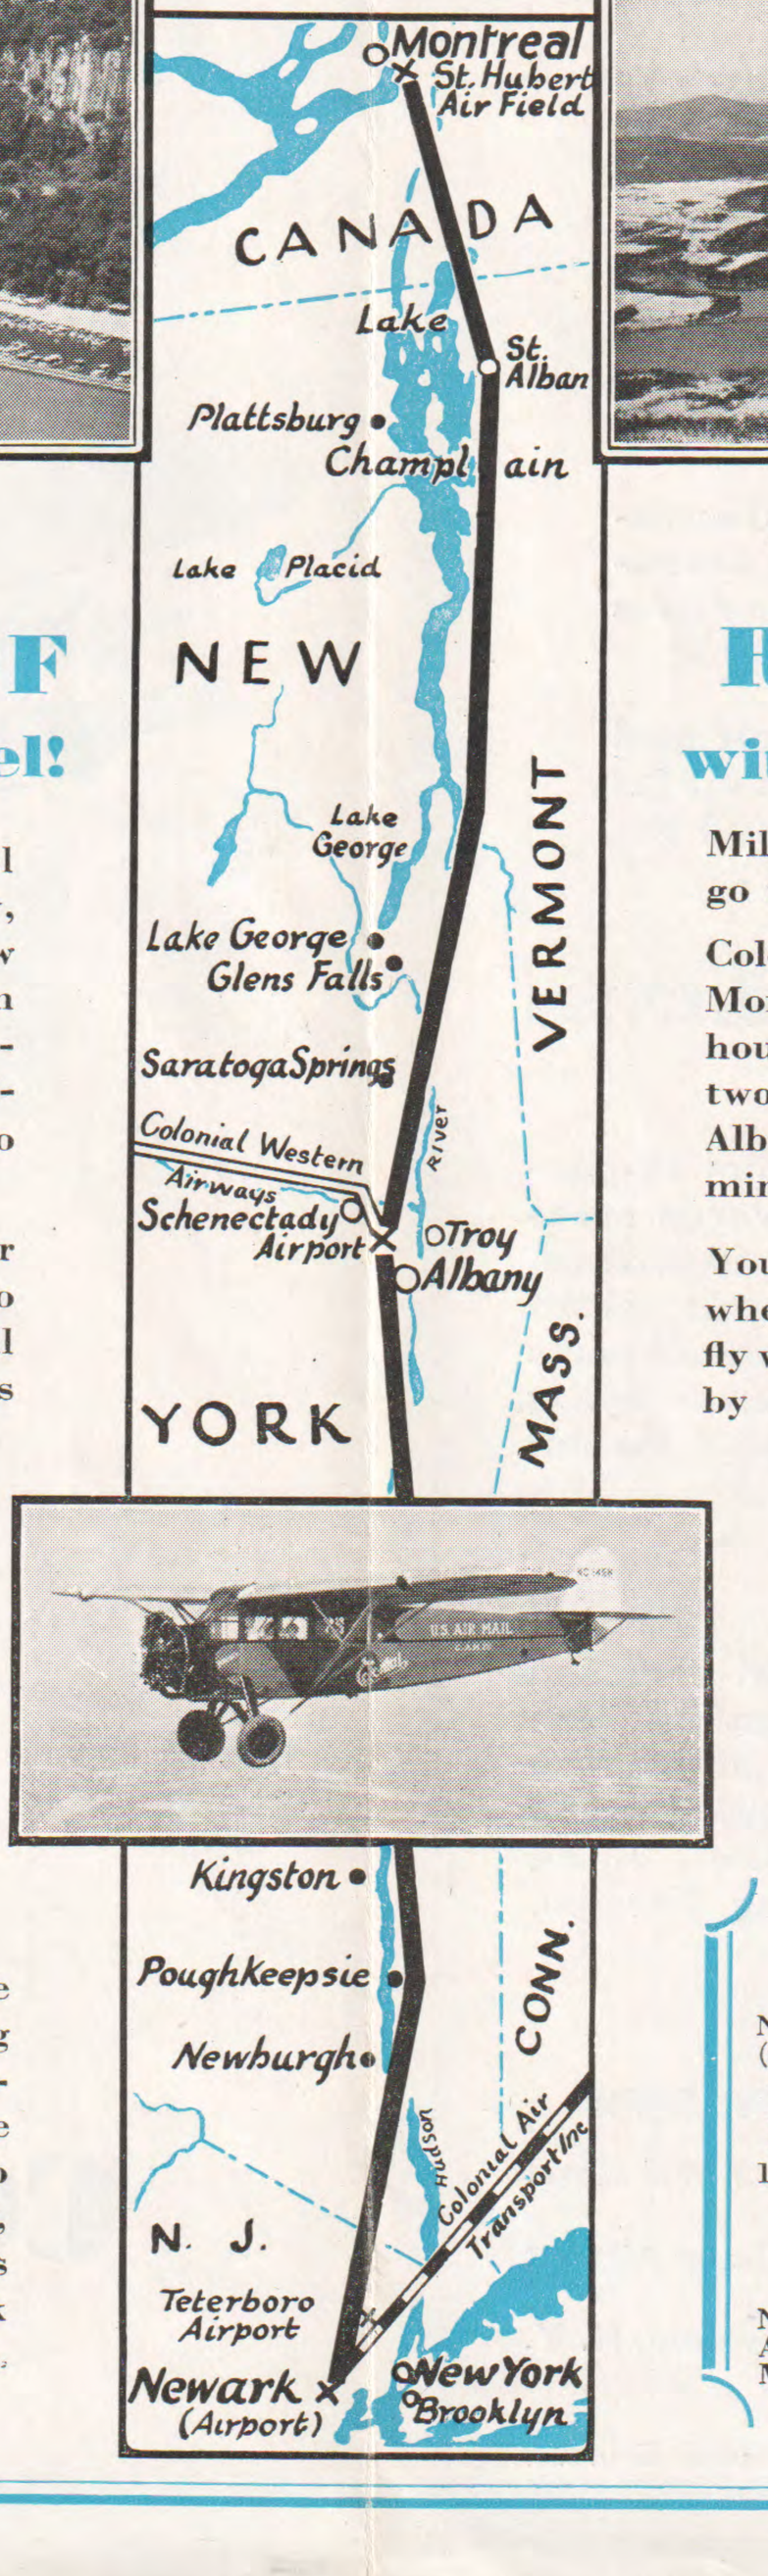

350 MILES OF
Gorgeous Scenic Travel!

If you wish the ultimate in a travel route of unsurpassed natural beauty, you take the AIRway between New York and Montreal—swiftly and in perfect comfort. You avoid the slowness, dust and dirt of other travelways that are irksome to you—you go by AIR!

There's less time in travel—more for business and pleasure, when you go the AIRway—but this air journey will prove all too short. Your plane wings its way along the majestic Hudson past the world-famed Palisades—over the gray stone buildings of West Point—now leaving the River for fertile farm lands—now flying along its edge again.

You fly over the famous mountain ranges—to the West, the Adirondacks, and the Catskills and to the East, the Green Mountains of Vermont.

You fly over beautiful lakes—the wide spread of Lake George set among its picturesque hills—and the long-stretched Lake Champlain. These are only a few of the landmarks—also there is the rushing St. Lawrence, the international border, the cities of Montreal, Albany, and New York from the air—truly it is a trip supreme.

RIDE IN SAFETY
with AIR MAIL Pilots

Miles are turned to minutes when you go the modern way—the AIRway.

Colonial's fast flying wings make Montreal and New York only four hours apart, Montreal and Albany two hours and a quarter apart, and Albany and New York only ninety minutes apart!

Your feeling of security is doubled when you learn that on this route you fly with the mail—your plane is guided by Air Mail pilots whose character, judgment and long training qualify them in every way to be responsible for the comfort and safety of passengers.

Colonial maintains an air transportation service which meets every demand of the modern traveler.
