. . . IMPROVED AND INCREASED SERVICE . . .

Colonial has for many years endeavored to bring to the communities which it serves the very best in air transportation. As a community's need for service increased, Colonial increased the service — by the addition of more flights, and later by the inauguration of 4-engine Skycruisers. Many cities along our routes which were without air service have been added to the Colonial system. When the need for low cost late night service was indicated, Colonial provided the OWL service that has become so popular with so many of you. We at Colonial take pride in the fact that when *you* wanted something in the way of new or added service Colonial was in most cases, ready, willing and able.

Once again Colonial has answered the call! Effective April 25th, the following new service will be part of our regular daily schedule:

NEW 4-engine Skycruiser service for:
PHILADELPHIA - SCRANTON - WILKES-BARRE

ADDITIONAL 4-engine Skycruiser service for:
ALBANY - MONTREAL - SYRACUSE - WASHINGTON

2 daily round trip flights between MASSENA, the heart of the St. Lawrence Seaway and NEW YORK and ALBANY.

NEW 4-engine Skycruiser service linking ALBANY, BURLINGTON and MONTREAL.

Its all new! The only thing that is old is the 23 year safety record of which Colonial is so proud. It has had another anniversary, having completed 24, yes 24, years of operation without a fatality to passenger or crew.
