GENERAL INFORMATION

Air Express—All flights carry air express. Special door-to-door pickup and delivery is provided by the Air Express Division of Railway Express Agency, Inc., at no extra charge.

Baggage—40 pounds carried free on each ticket; (baggage includes not only suitcases, but briefcases and packages). Charge for excess baggage is ½ of 1% of the one way fare per pound of excess, with a minimum total charge of 25 cents. Baggage weighing over 50 pounds carried only by special arrangement. Company personnel will assist passengers in making arrangements to ship excess baggage by railway express. Special allowance for Oceanic passengers, consult Continental.

Cancellations by Company—Company reserves the right to cancel bookings before passage or en route any time such action is deemed advisable or necessary. In all events, the passenger's sole recourse shall be the recovery of the unused portion of the air fare.

Fares—All fares quoted are from airport to airport. Fares shown are for information only and are subject to change without notice. Official Continental Air Lines fares and official rules and regulations governing their application are published in the Airlines Local and Joint Passenger Tariff No. 1.

Ground Transportation—Continental has arranged ground transportation service at reasonable rates in all cities it serves. Passengers using their own ground transportation direct to the airport are requested to report to the ticket agent at least fifteen (15) minutes before plane departure time.

For complete priority information see your Continental Agent.

Refunds—If weather or other conditions prevent the company from completing flight, a refund draft covering the complete unused portion of the air fare will be issued immediately or forwarding transportation will be provided. Drafts may be cashed at any point along the line. Holders of round trip tickets who do not wish to use their return portion may secure an immediate refund of the difference between the round trip and one way fares at any Continental office.

Reservations—Must be made in advance. See back page of this folder for reservation phone numbers and ticket office locations.

Responsibility for Departures, Arrivals and Connections—Continental Air Lines will not be responsible for damages resulting from the failure of planes to depart or arrive at time stated in these time tables nor for errors herein nor for failure to make connections with planes of other lines or of this Company. Schedules are subject to change without notice.

Tickets—Tickets are valid for a period of four months after date of issuance. Stopovers will be allowed at any regular stop, provided reservation is made accordingly.

Trip Insurance—Trip insurance may be purchased at all airline offices at the same per mile rate as surface transportation.

War Regulations—Due to the existing emergency, baggage not carried in the same plane as its owner must be opened and inspected. Cameras may not be carried in the cabin of planes. It is unlawful for any enemy alien to travel by air.
