CONTINENTAL AIRLINES

April 1, 1984

A new tradition in flying.

Traditionally, airline passengers have had two choices if they wanted a sensibly priced ticket.

They had to give up the freedom of traveling when they wanted, or give up basic services and amenities.

Continental Airlines doesn't think that's much of a choice.

That's why we're the first airline in America to offer all the great services you expect of a major airline, at an uncommonly low price.

And our low prices apply to every seat, every flight, every day. No restrictions. No reduction in service. No nonsense.

So next time you fly, fly Continental. It's a full-service airline. It's a sensibly priced airline.

It's about time.

Expanded Service to Hawaii and the Pacific

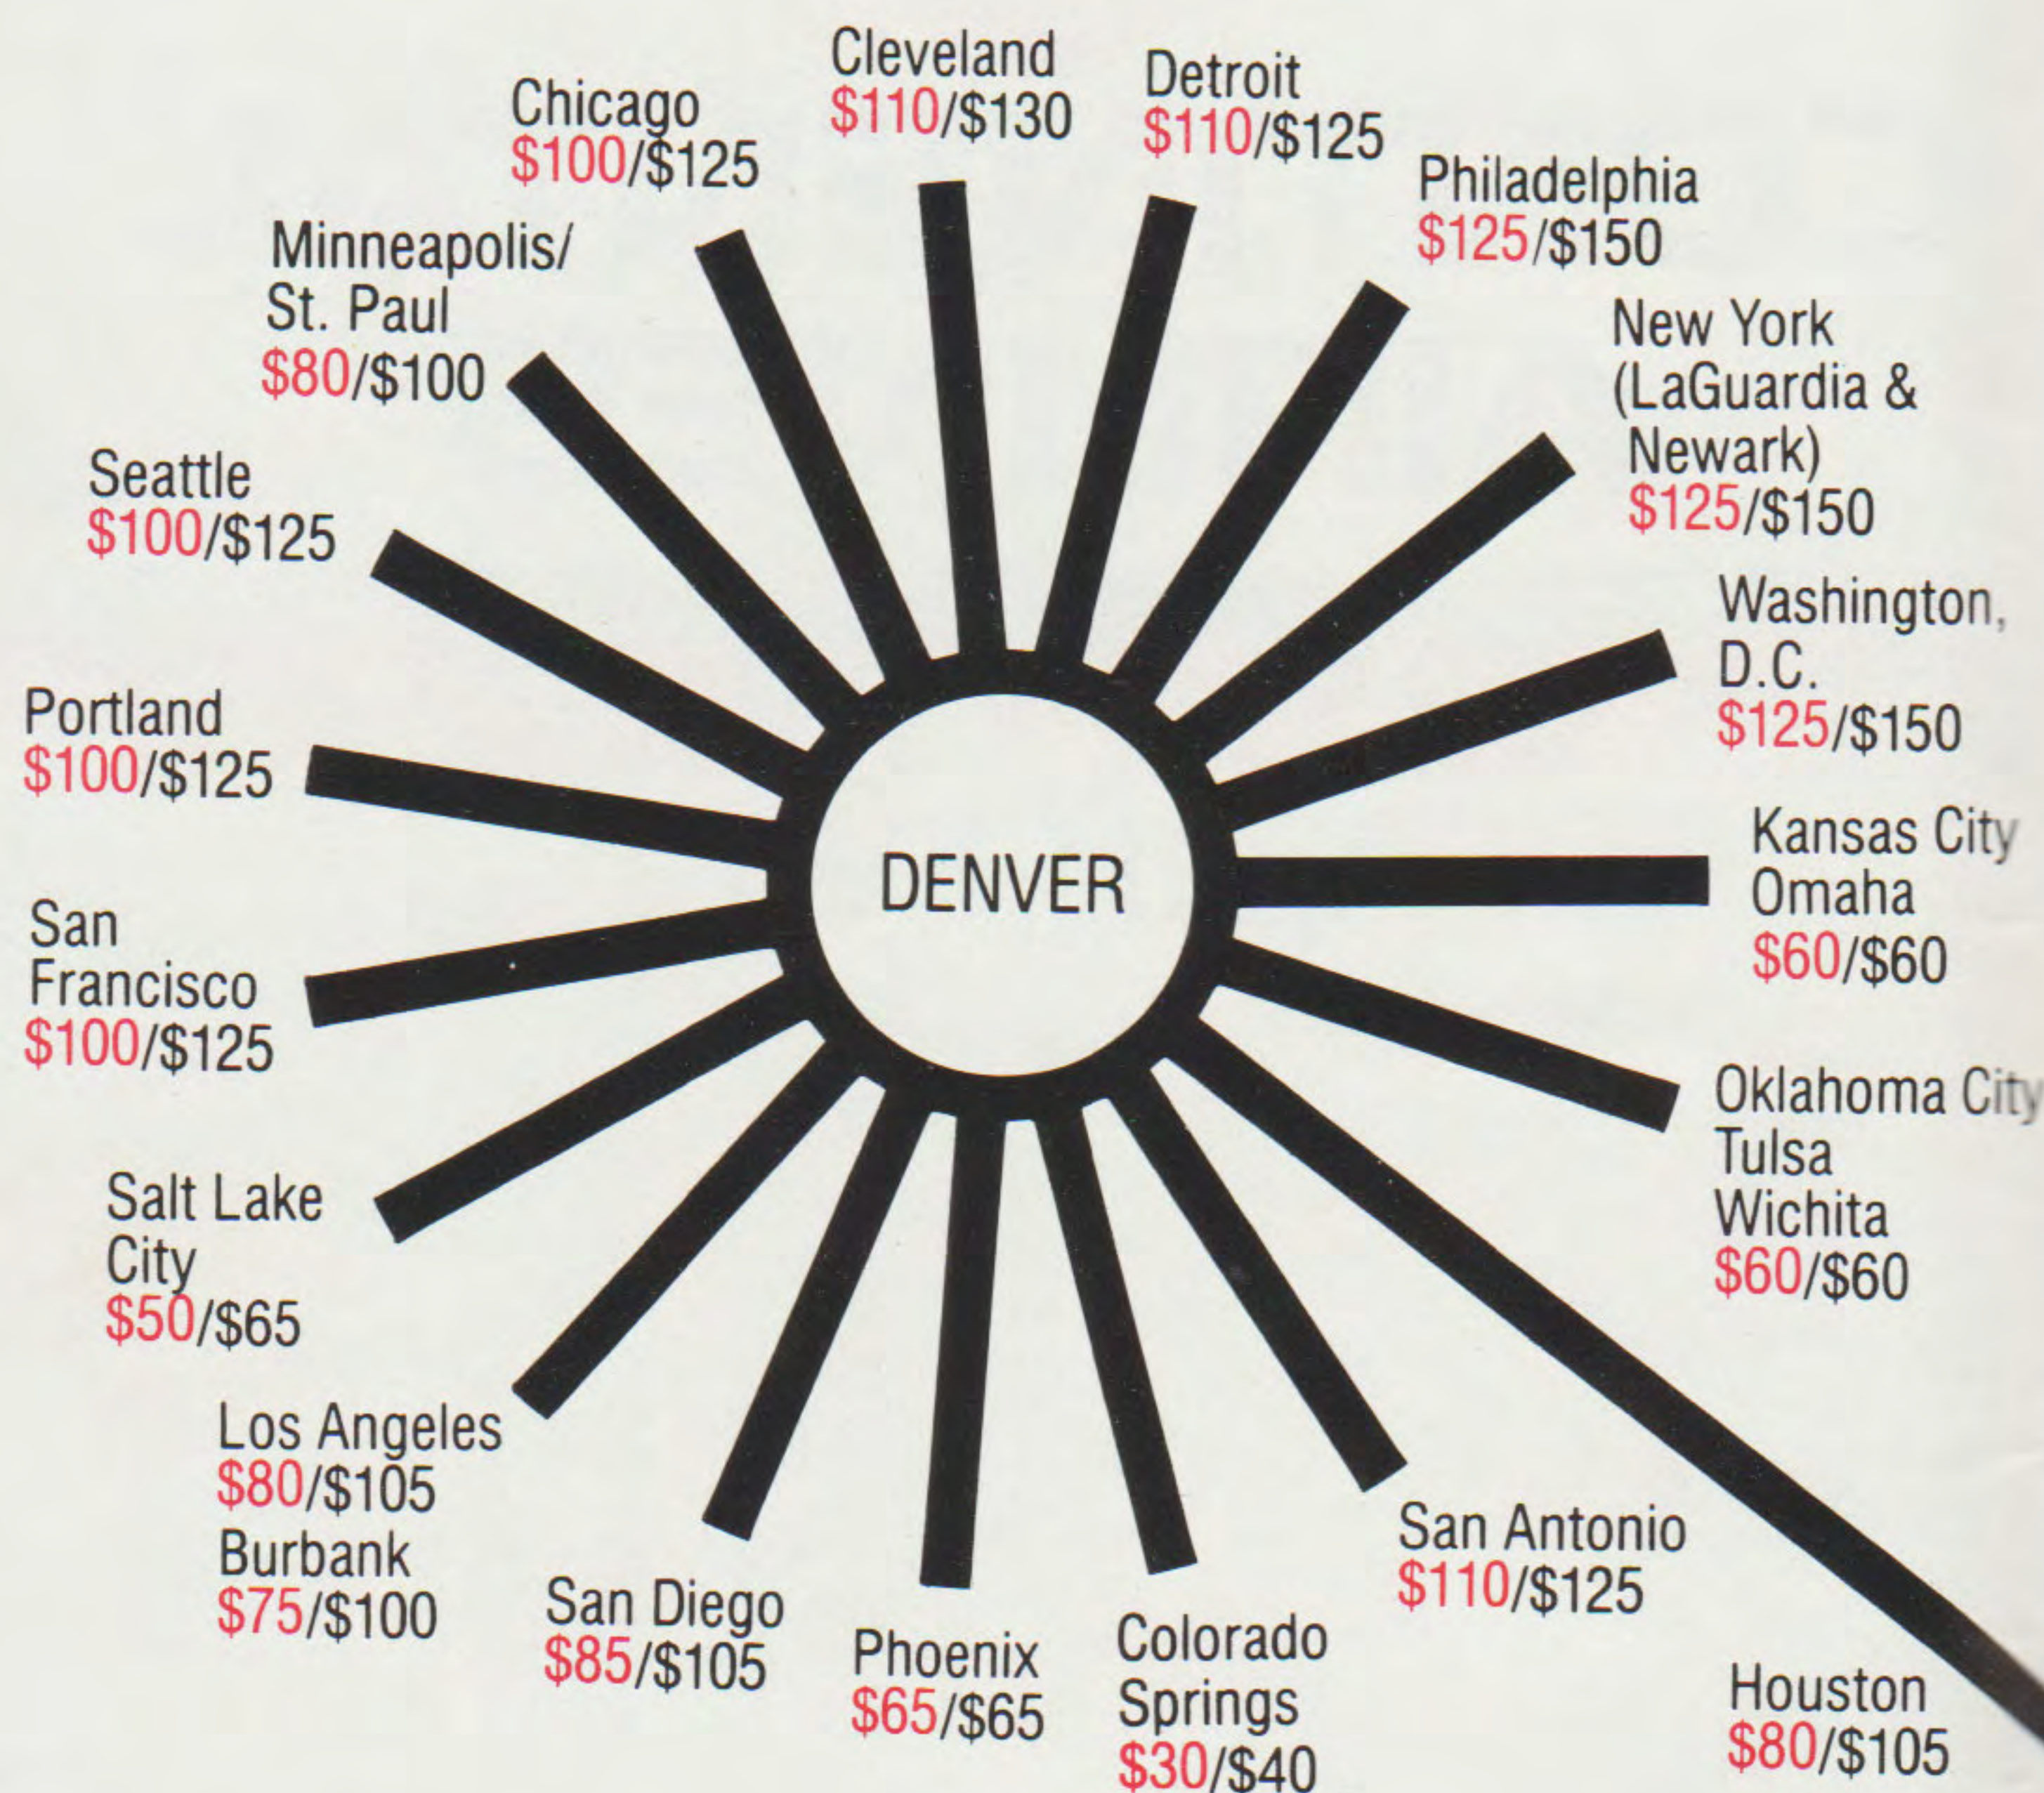

Continental Airlines.
All the right places
at all the right prices.
And all the service you
expect from Continental.
Absolutely no restrictions.

Peak fares in black.

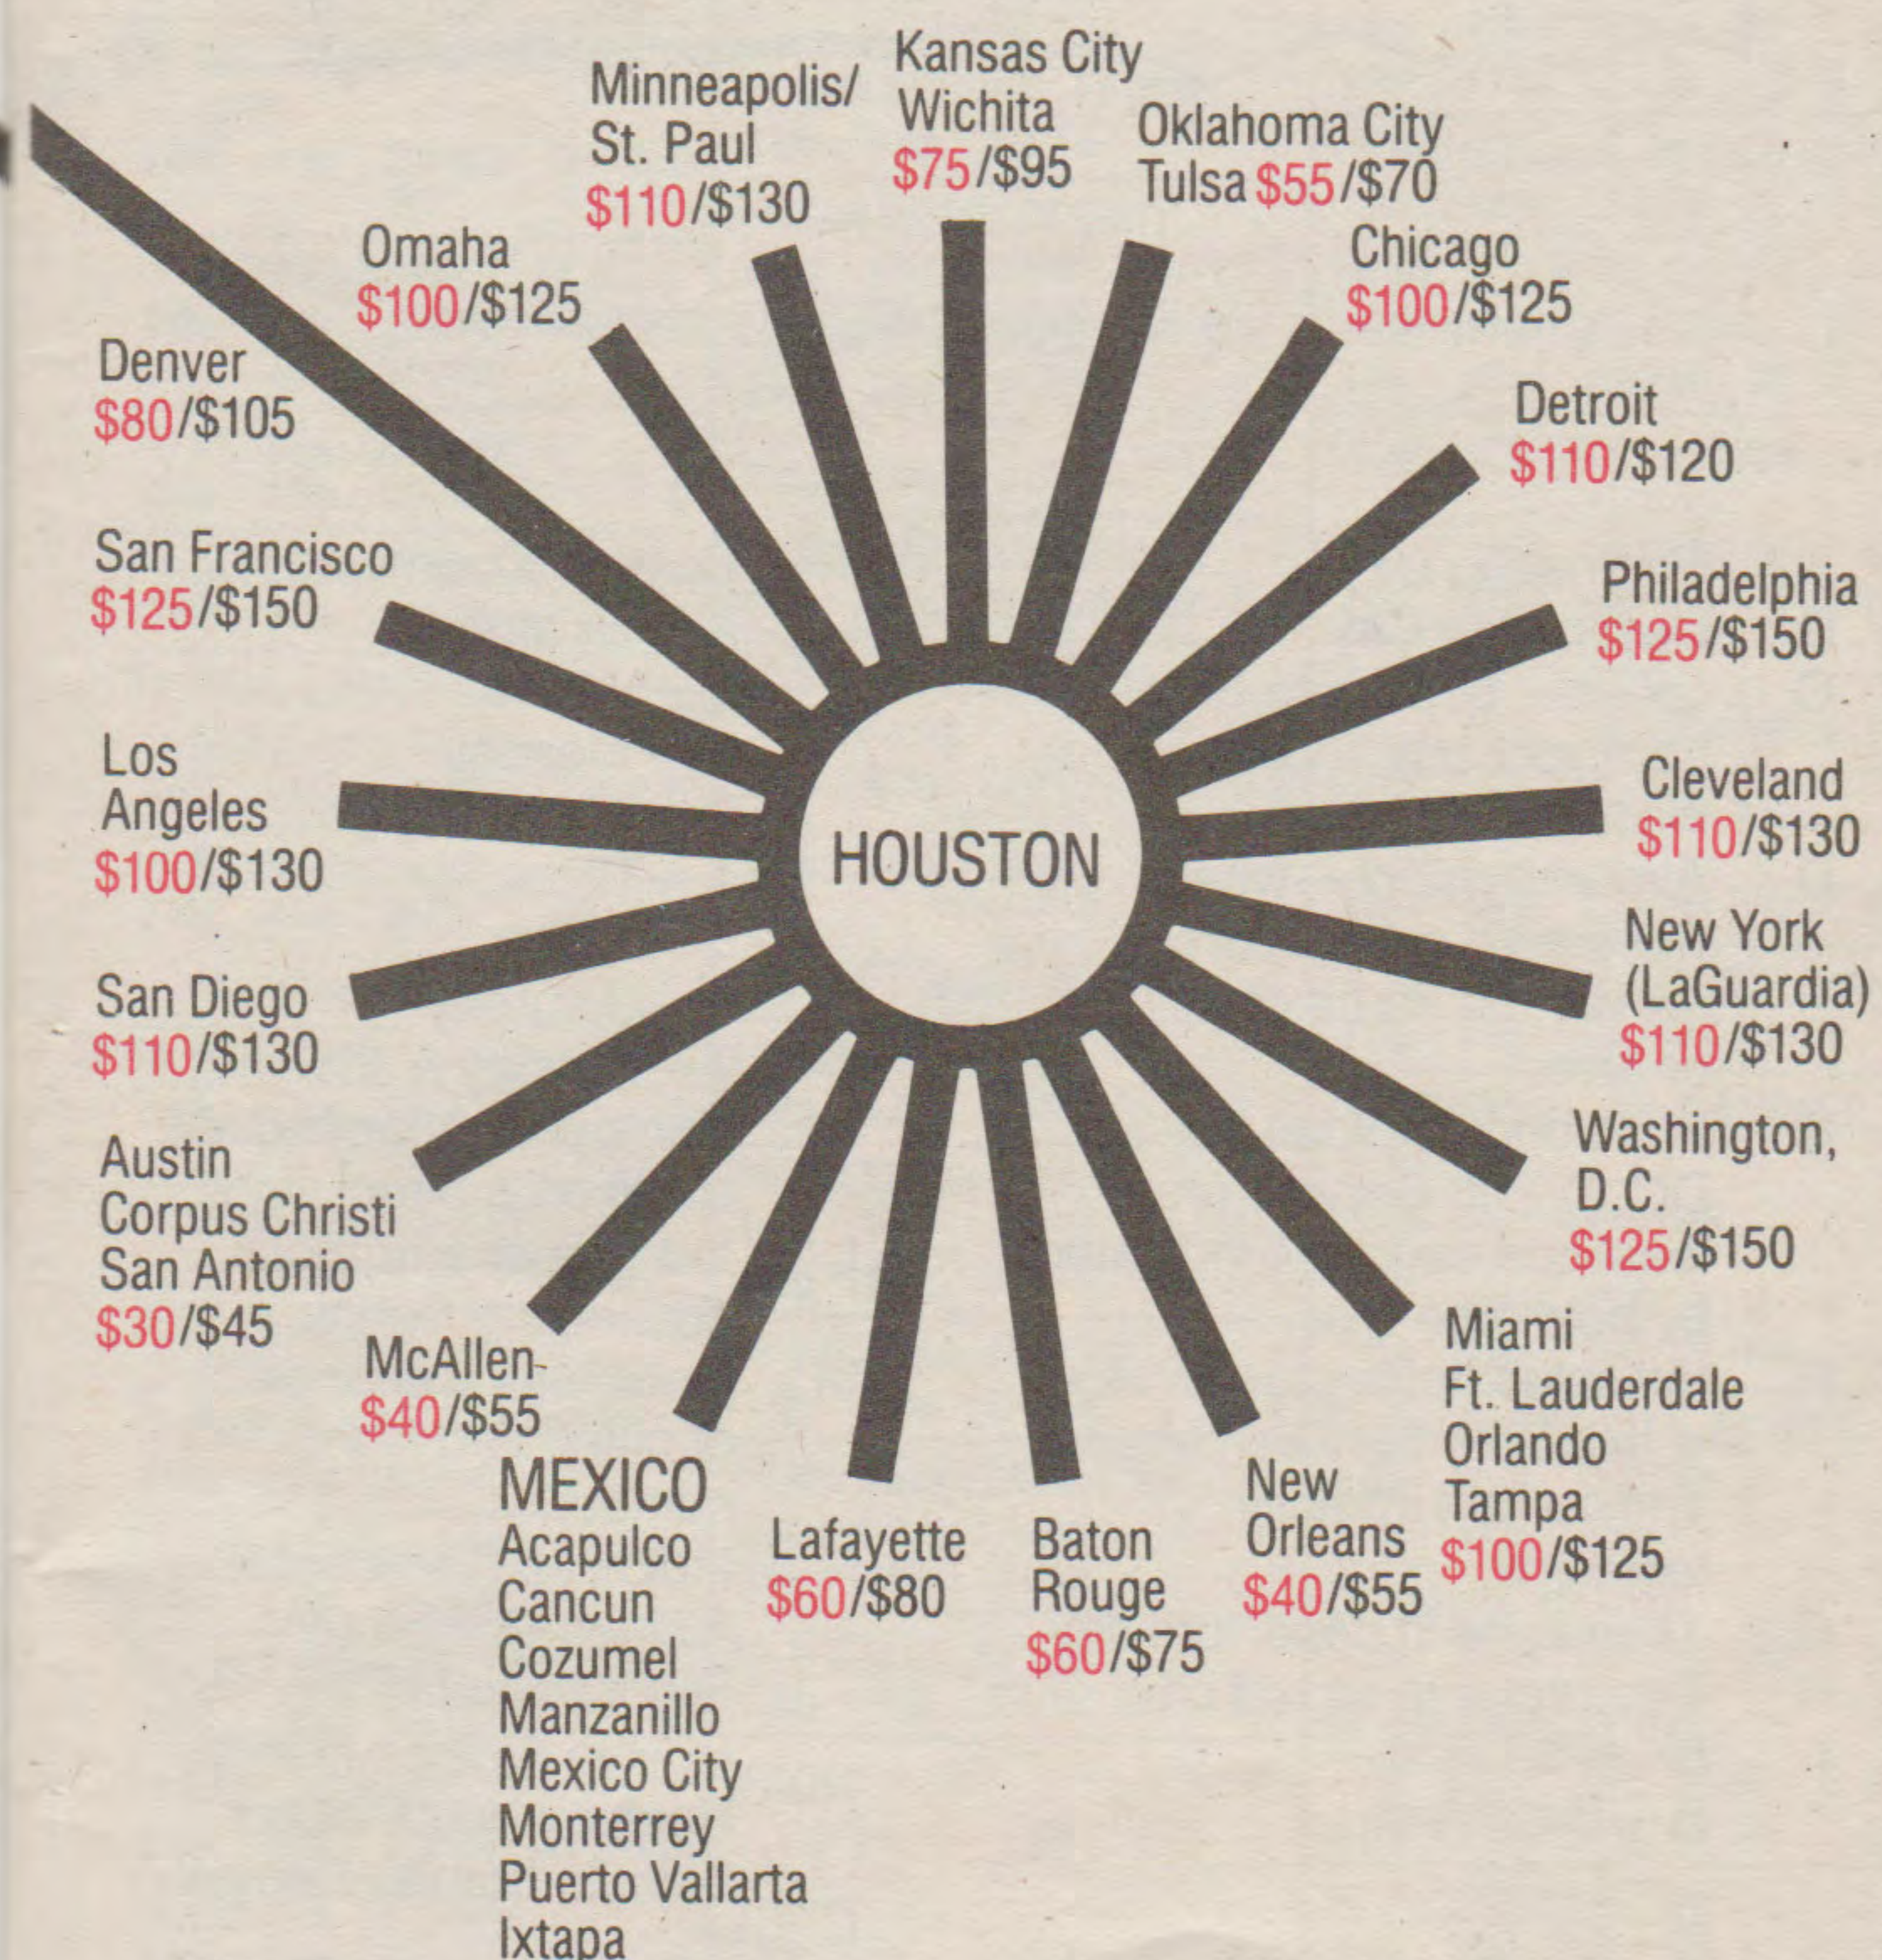

Off-peak fares in red.

Fares shown are good for nonstop travel in either direction from Denver or Houston to the cities shown. Some direct and connecting fares may be even lower than the sum of the local segments shown.

For details on Continental's low fares to international destinations, contact your travel agent or Continental Airlines.

Unrestricted low fares on every flight, every day.
First Class for less than other airlines charge for coach.

Fares shown are effective April 1, 1984, and are subject to change without notice.

Please don't be a "NO-SHOW" regardless of circumstances. A confirmed reservation is a dual responsibility... the passenger has as great a responsibility for releasing space previously reserved as does the airline in holding the space. If "NO-SHOWS" didn't exist, there would be few if any problems with confirmed reservations.
