CONTINENTAL AIRLINES

June 8-June 30, 1984

A new tradition in flying.

Traditionally, airline passengers have had two choices if they wanted a sensibly priced ticket.

They had to give up the freedom of traveling when they wanted, or give up basic services and amenities.

Continental Airlines doesn't think that's much of a choice.

That's why we're the first airline in America to offer all the great services you expect of a major airline, at an uncommonly low price.

And our low prices apply to every seat, every flight, every day. No restrictions. No reduction in service. No nonsense.

So next time you fly, fly Continental. It's a full-service airline. It's a sensibly priced airline.

It's about time.
