CONTINENTAL AIRLINES

September 5-October 27, 1984

A new tradition in flying.

Traditionally, airline passengers have had two choices if they wanted a sensibly priced ticket.

They had to give up the freedom of traveling when they wanted, or give up basic services and amenities.

Continental Airlines doesn't think that's much of a choice.

That's why we're the first airline in America to offer all the great services you expect of a major airline, at an uncommonly low price.

And our low prices apply to every seat, every flight, every day. No restrictions. No reduction in service. No nonsense.

So next time you fly, fly Continental. It's a full-service airline. It's a sensibly priced airline.

It's about time.

Low fares
when you
need them
most.

Always.

These days, lots of airlines can give you great low fares. As long as you don't mind flying at 3 a.m. Or only on Wednesdays. Or reserving weeks ahead for a flight.

But, on Continental Airlines, our fares are easy to get. Because they're available on every seat, every flight, every day, everywhere we fly. With absolutely no restrictions.

Our fares are easy to understand, too. Fly during our busiest periods, and pay a low Peak fare. Fly when we're less busy, and pay an even lower Off-Peak fare. And First Class costs no more than other major airlines charge for regular coach.

No matter which fare you choose, you won't find finer service and amenities on any other major airline.
