GENERAL INFORMATION

SCHEDULES: All schedules contained herein are subject to change without notice. Since weather and factors affecting operational safety may require delay or cancellation, the schedules contained herein reflect only expected local arrival and departure times and are not guaranteed. During holiday periods our schedules will be adjusted slightly. Please check with your nearest Air North ticket or reservation office for these changes. Carrier is not responsible for errors contained in the printed schedule.

RESERVATIONS: Reservations should be made by telephone or at any Air North ticket office, travel agency or corporate travel office. Reservations are valid only after the purchase of a ticket. Air North flights may be overbooked and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. Check any Air North ticket office for the tariff rules concerning Denied Boarding Compensation.

CHECK-IN: To help ensure on-time performance, Air North must cancel the reservations of any passenger who checks in less than ten minutes before scheduled departure.

BAGGAGE: All checked baggage must bear a name identification on its exterior. Baggage Identification Labels are provided free by carrier.

Within the U.S. and Canada, carrier will transport without charge for each fare-paying passenger one piece of baggage with linear dimensions (length, height, and width) not exceeding 62 inches plus one piece of baggage with linear dimensions not exceeding 55 inches. Check with any Air North office concerning certain restrictions regarding the acceptance of fragile and perishable items as checked baggage. Passengers may also check or carry on, without charge, additional baggage totaling no more than 45 inches and is capable of being stowed under the passenger's seat. In addition to size, each piece must not exceed 70 pounds.

Baggage in excess of the above free allowances up to the dimensions of 80 inches or a weight of 70 pounds will be charged \$6.00 per piece. Baggage exceeding the dimensions of 80 inches and up to 160 inches with no single dimension more than 72 inches or exceeding 70 pounds and up to 150 pounds will be charged \$12.00 per piece.

AIR FREIGHT: Air Freight is carried on all flights. Check with any Air North office for rates and restrictions.

FORMS OF PAYMENT: Carrier will honor most major credit cards for local transportation on Air North. Check any Air North office for other rules governing credit cards. Personal checks are not accepted for transportation.

SPECIAL FARES: Air North offers money saving Children's and Military discounts. For details contact Air North or your travel agency.

JOINT FARES: Air North has joint fare agreements with the majority of U.S. airlines. Please consult your travel agent or Air North reservations for special fare information.
