Overbooking Notice

Cardinal Air Virginia flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If this occurs, a person denied boarding may be entitled to a compensatory payment. The rules for denied boarding compensation are available at all airport ticket counters.

Responsibility: Cardinal Air Virginia will not be responsible for damages resulting from failure of flights to depart or arrive at times stated in this time table, nor for errors herein, nor for failure to make connections with flights of this or other airlines.
