Flight Guide

Effective July 15, 1980

SCHEDULES—Air Virginia will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with flights of other airlines or of this company. Schedules are subject to change without notice. Since holiday schedules may differ, please call the Air Virginia Reservation Office for this information.

TICKETS & CHECK-IN—Passengers with tickets should check in at the Air Virginia airport service counter 20 minutes prior to departure time. Passengers with reservations who intend to purchase tickets at the airport should allow at least 30 minutes prior to departure time for processing and check-in. On Air Virginia your reservation is subject to cancellation if you fail to present your ticket at least 15 minutes before departure time.

BAGGAGE—Two bags carried free with each passenger. Additional bags carried space available at a charge of \$6.00 per bag. All baggage is insured to the maximum of \$750.00 per passenger. Burden of proof of liability rests with the passenger. Baggage valued at more than \$750.00 carried at the owner's risk.

REFUNDS—All refunds may be obtained by writing to or appearing in person at the General Offices of the company. The company reserves the right to assess a service charge for processing the refund and to refuse refunds to passengers who have not claimed reservations before flight departure time and did not cancel their reservations.

FARES—Fares are subject to change without notice. Children under age 2 carried at no charge and must be accompanied. Children ages 2 to 11 pay 66 2/3 full fare if accompanied by full-fare adult passenger. Ages 12 and over full fare.

PASSENGER AND BAGGAGE WEIGHTS—The Federal Aviation Administration requires the use of actual passenger and baggage weights. Air Virginia will weigh baggage. Our service counter personnel will ask each passenger his weight. We appreciate your assistance in meeting this requirement. This regulation is designed for your safety.

CHECKS—Air Virginia accepts checks for air transportation when presented with a major credit card, permanent driver's license, and another form of I.D. with a picture.

CREDIT CARDS—Air Virginia accepts American Express, Mastercharge, Universal Air Travel Plan and VISA cards.

SMALL PARCELS—Small parcels are accepted on all flights as space and weight permit. All packages must be delivered to the Air Virginia service counter at least 30 minutes before departure time for processing. Contact Air Freight Department (In Va. 1-800-552-7802 - Outside Va. 1-800-446-7834) for details and rates.

Welcome to Air Virginia. We proudly recommend the firms appearing in this Flight Guide, and trust they will serve your needs well. We hope you will enjoy your flight with us and that you will return soon.

Sincerely,

Air Virginia

Overbooking Notice

Air Virginia flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If this occurs, a person denied boarding may be entitled to a compensatory payment. The rules for denied boarding compensation are available at all airport ticket counters.

Responsibility: Air Virginia will not be responsible for damages resulting from failure of flights to depart or arrive at times stated in this time table, nor for errors herein, nor for failure to make connections with flights of this or other airlines. Schedules are subject to change without notice. They are based on expected flying times. Because of weather and other factors affecting operations, we regret that departures and arrivals cannot be guaranteed.
