Fly Atlantis first.

To Our Passengers:

In Greek "Atlantis" means Daughter of Atlas. Most scholars believe Atlantis may have been a myth created by Plato to describe a Utopian society. Others speculate that it may have been an ancient advanced culture that existed on a continent west of Gibraltar (the Pillars of Atlas). In any case, Atlantis is described as something unique.

We believe Atlantis Airlines is also unique. Although service started in April 1979, Atlantis carried over 21,000 passengers by September. While only a small airline relative to the major carriers, Atlantis provides all of the amenities associated with the larger airlines.

Reservations are handled through a computerized system which allows us to confirm seats anywhere in the United States. Our interline and joint fare arrangements with major airlines allow us to charge one low fare regardless of the number of airlines involved; and your baggage can be checked through to its final destination.

For its high frequency daily schedule, Atlantis has selected the dependable de Havilland Twin Otter 300 series aircraft. The Twin Otter is a 20 seat aircraft powered by two Pratt and Whitney jet-powered prop engines. This type of aircraft has been performing short-haul transportation around the world for over 10 years and has earned a reputation that is unsurpassed in its field. It is highly regarded for its reliability and comfort.

We are striving to provide the finest service available in short-haul transportation. I would like to have your suggestions and comments on any aspect of our service. You'll receive a prompt and personal reply because we are sincerely interested in your views.

Sincerely,
R. Wigmore
President, Atlantis Airlines

General Information

Baggage

Baggage Liability - Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from Atlantis at no cost. Liability for baggage between points in the U.S. will not exceed \$750.00 unless you declare a higher valuation and pay an extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques.

Myrtle Beach Rent-a-car

Ask Atlantis reservations for information about special rent-a-car rates in Myrtle Beach.

Check-in times

We recommend that you check in at least 30 minutes before departure (45 minutes if you do not have your ticket). If you check in at the gate of departure less than 10 minutes prior to departure, your space is subject to cancellation and use by non-confirmed passengers.
