THE BRANIFF DESTINATIONS

Braniff and the Braniff Express are your low-fare connections to 47 cities in the U.S. and the Bahamas. It is our goal to continue to expand service to even more cities, so you'll have low fares on routes which have typically been high-profit for the big boys. Remember what airfares were like before Braniff, and then think about what they might be like without us. You're right. Don't worry, we'll keep applying pressure, and you can believe that!

Passenger Information

ABOUT YOUR TICKET

It Is Valuable.
You will need it for transportation and boarding or to obtain a refund. Don't misplace it, forget it, lose it or destroy it. Always save your passenger receipts.

Refunds: When a passenger requests that a ticket issued by Braniff be refunded, such refund will be made to the purchaser as indicated in Braniff's letter of transportation. No refund will be made for "non-refundable" tickets or for other tickets after expiration of two (2) years following the date of purchase.

ABOUT YOUR RESERVATIONS

Schedules and Operations: Braniff will undertake its best efforts to transport the passenger and baggage with reasonable dispatch. Times shown in Braniff timetables or elsewhere are not guaranteed and form no part of this contract. Braniff may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket at its discretion. Schedules are subject to change without notice. Braniff is not responsible or liable for making connections, or for failing to operate any flight according to schedule, or for changing the schedule of any flight.

Check-In Time: Please arrive at the airport at least 45 minutes (60 minutes for international flights) prior to scheduled departure time. Check with reservations for specific check-in time for your departure city. After having checked in for the flight, passengers must present themselves at the aircraft boarding gate for boarding at least 10 minutes (30 minutes for international flights) before scheduled departure time or reservation and seat assignment will be subject to cancellation. Ticketed passengers with no luggage can go directly to the gate.

After Boarding please contact your flight attendant before changing seats. Vacant seats may already be assigned from the next city.

SMOKING

Flights Under Two Hours: Federal law bans smoking aboard domestic flights of two hours scheduled duration or less. No person may smoke in any airplane lavatory at any time. Federal law provides for a penalty of up to $2000 for tampering with the smoke detector installed in the aircraft lavatory.
Exception: All Braniff flights operated with BAC 1-11 aircraft will be non-smoking regardless of flight duration.

Flights More Than Two Hours: Federal law requires that all passengers who request a non-smoking seat be so accommodated provided they have complied with the airline's check-in rules. If the scheduled no-smoking section is full, the first row adjacent to the no-smoking area becomes part of the no-smoking section. Please advise a flight attendant and everything possible will be done to provide you with a non-smoking seat. Smoking is not allowed in the lavatories or when the no-smoking light is on. Cigar and pipe smoking are prohibited in all areas of the aircraft at all times.
