PASSENGER INFORMATION

ABOUT YOUR TICKET

It Is Valuable.

You will need it for transportation and boarding or to obtain a refund. Don't misplace it, forget it, lose it or destroy it. Always save your passenger receipts.

Refunds: When a passenger requests that a ticket issued by Braniff be refunded, such refund will be made to the purchaser as indicated in Braniff's letter of transportation. No refund will be made for "non-refundable" tickets or for other tickets after expiration of two (2) years following the date of purchase.

ABOUT YOUR RESERVATIONS

Schedules and Operations: Braniff will undertake its best efforts to transport the passenger and baggage with reasonable dispatch. Times shown in Braniff timetables or elsewhere are not guaranteed and form no part of this contract. Braniff may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket at its discretion. Schedules are subject to change without notice. Braniff is not responsible or liable for making connections, or for failing to operate any flight according to schedule, or for changing the schedule of any flight.

Check-In Time: Please arrive at the airport at least 45 minutes (60 minutes for international flights) prior to scheduled departure time. Check with reservations for specific check-in time for your departure city. After having checked in for the flight, passengers must present themselves at the aircraft boarding gate for boarding at least 10 minutes (30 minutes for international flights) before scheduled departure time or reservation and seat assignment will be subject to cancellation. Ticketed passengers with no luggage can go directly to the gate.

After Boarding please contact your flight attendant before changing seats. Vacant seats may already be assigned from the next city.

SMOKING

Flights Under Two Hours: Federal law bans smoking aboard domestic flights of two hours scheduled duration or less. No person may smoke in any airplane lavatory at any time. Federal law provides for a penalty of up to \$2000 for tampering with the smoke detector installed in the aircraft lavatory. Exception: All Braniff flights operated with BAC 1-11 aircraft will be non-smoking regardless of flight duration.

Flights More Than Two Hours: Federal law requires that all passengers who request a non-smoking seat be so accommodated provided they have complied with the airline's check-in rules. If the scheduled no-smoking section is full, the first row adjacent to the no-smoking area becomes part of the no-smoking section. Please advise a flight attendant and everything possible will be done to provide you with a non-smoking seat. Smoking is not allowed in the lavatories or when the no-smoking light is on. Cigar and pipe smoking are prohibited in all areas of the aircraft at all times.

ABOUT YOUR BAGGAGE

Identify your baggage outside and inside with our labels.

Lock Your Bags. Don't overpack them. All baggage **MUST BE** security cleared.

Check In Early to ensure that you and your baggage arrive on the same flight.

Free Checked Baggage Allowance for Travel on Braniff: One piece with linear dimensions not over sixty-two inches.

One piece with linear dimensions not over fifty-five inches.

One piece not to exceed nine inches in height may be checked or carried on board.

Maximum weight seventy pounds per piece.

Carry-On Baggage must be properly stowed under the seat or in the overhead bin. Federal regulations require all airlines to check carry-on items which cannot be properly stowed. Check with Braniff or your Travel Agent for details.

Excess Baggage Charges: An excess fee will be charged for each piece of baggage over the free allowance and for each piece of oversize or overweight baggage.

A charge will apply to special items, bicycles, scuba gear, surfboards and household pets, regardless of total baggage checked.

Baggage Claims: Liability for provable direct damages resulting from the loss, delay or damage to baggage in Braniff's custody is limited to \$1,250 per ticketed passenger for travel wholly between U.S. points, or \$9.07 per pound (\$20 per kilo) when any part of the travel is international. Excess valuation, to a maximum of \$5,000 is available from Braniff (for an additional charge), but may not be obtained on certain types of valuable, perishable and fragile items. Special terms apply to valuable, perishable, electronic and fragile items. Further information concerning specific terms may be obtained from any Braniff ticket office upon request. No action shall be maintained for any loss, delay or damage to checked baggage, unless preliminary notice is given before leaving the airport where loss, damage or delay is obvious or within 24 hours where loss, damage or delay is not obvious and in writing to Braniff within 45 days after the date of the incident and unless action is commenced within one year from date of incident. Carrier will not be responsible for money, jewelry, cameras, video and electronic equipment, silverware, negotiable papers, securities, business documents, samples, paintings, antiques, artifacts, manuscripts, furs, irreplaceable books, publications, commercial effects and similar valuables contained in checked or unchecked baggage. Fragile articles, soft-sided luggage and perishables are accepted as checked baggage only at the passenger's own risk.

BAHAMAS TRAVEL

Passengers need proof of citizenship (passport or birth certificate) and a return ticket in order to enter the Bahamas. Passengers must furnish Bahamian Customs with information regarding their accommodations while in the Bahamas.

Passengers should check in 60 minutes before scheduled departure to allow time for verification of travel documents. Reservations of passengers presenting themselves at the Braniff boarding gate less than 30 minutes before the scheduled departure of a flight will be subject to cancellation.

Passengers departing from the Bahamas to the U.S. will be required to pay a departure tax (\$5.00 U.S.), collected in cash.

The rate for checked baggage in excess of the free allowance is \$10 per piece for the first three pieces. Four or more pieces of excess baggage will be subject to a higher charge. Oversize or overweight pieces, when acceptable as baggage, are subject to a higher charge. Baggage liability for Bahamas travel will be limited to \$9.07 per pound or the actual value, whichever is less.

Due to health restrictions, pets will not be transported to or from the Bahamas.

U.S. CUSTOMS ALLOWANCES

Purchases up to \$400 may be brought back by residents of the U.S. duty free, including one quart of an alcoholic beverage by adults. Traveler must have been absent from the U.S. at least 48 hours. Plants, fruits, meats and similar agricultural items cannot be brought into the U.S. without permission. Federal regulations restrict carriage on aircraft of items classified as hazardous materials. Acid, matches, lighter fluid, explosives, flammable solids/liquids, oxidizing materials, corrosive materials, compressed gases, poisons, etiologic agents, radioactive materials, irritating or incapacitating sprays, must not be carried in baggage.
