Atlanta, Georgia

GENERAL INFORMATION

All fares and schedules herein are subject to change without notice. For routing see local agent. Official Delta Air Lines fares and tariff regulations are published in Local and Joint Passenger Tariff No. PF-2, A.T.B. No. 7, C.A.B. No. 7, on file with the Civil Aeronautics Board and open for public inspection at any Delta Air Lines office. All fares are from airport-to-airport and apply via the most direct routing unless otherwise indicated.

Section 562,
P. L. & R.

Now... on Express Flights 44 PASSENGER 4 ENGINE **SUPER DELTALINERS**

Delta Air Lines now brings you Super-Deltaliner air service. The Douglas DC-4, famed as a globe-girdling plane during war, now goes into operation on express flights over Delta routes.

Super-Deltaliners, making fewer stops on faster schedules, will supplement Delta's fleet of 21-passenger DC-3's. Together, the two types of Delta planes provide complete air service for both local and express flights.

Super-Deltaliner Features

CAPACITY: The new Super-Deltaliner will carry 44 passengers, more than double the capacity of the DC-3. It has a useful load of 20,000 pounds—a cabin 50 feet long... 10 feet wide.

POWER: The Super-Deltaliner has 5,800 horsepower combined in four engines... can cruise 2,600 miles without refueling. On express flights, reduces present scheduled time for long-range trips.

COMFORT: You will find traditional Delta comfort and courtesy aboard Super-Deltaliners. There's amazing roominess. A tricycle landing gear keeps the floor level for loading and unloading. Hot meals and snacks are served in flight. And there are separate lounges for men and women.

FARES: Super-Deltaliners are bigger and faster, but there's no increase in fares. Delta fares are identical for DC-3's and DC-4's.

Effective March 6, 1946
