**1. GRAND CANYON NATIONAL PARK** You can take your pick of a three-day or four-day tour to America's greatest single scenic wonder—the Grand Canyon. This marvel of nature is 217 miles long, 4 to 18 miles wide and a mile deep. Frontier's tours take you by bus to such conducted sightseeing trips as the Desert View-Watchtower drive and the Hermit's Rest Canyon Rim sightseeing drive. Also on the agenda are the Hopi Indian dances. The Frontier Airlines gateway city for these tours is Flagstaff, Arizona.

**2. GRAND TETON NATIONAL PARK** This four-day tour takes you to an area of rich and rugged beauty. Rising abruptly from the almost level basin of Jackson Hole, the magnificent Grand Teton Range dominates the landscape. Frontier's tour includes a six-hour amphibious circle tour of the Jackson Hole and Teton area. A boat trip on Jackson Lake with lunch on Elk Island is the highlight of the day. The tour also offers a six-hour, 30-mile float trip down the colorful Snake River. You'll enjoy the relaxing beauty of this trip, stopping at mid-day for lunch on Deadman's Bar in mid-river. There is ample free time to hike, boat, ride horseback, fish, sightsee or just plain relax by the heated pool. The Frontier Airlines gateway city for this tour is Jackson, Wyoming.

**3. CANYONLANDS NATIONAL PARK** You can enjoy a five-day tour through America's newest national park. The northern section of the picturesque park in Utah is called "Island in the Sky." Frontier's tour takes you through this area in comfortable, 4-wheel drive, air-conditioned vehicles. You'll travel along the Colorado River past Indian ruins and dinosaur tracks. This tour also takes you to the inspiring Angel Arch Canyon to show you Newspaper Rock, Dug-Out Ranch, Six Shooter Peaks, and Peek-A-Boo Arch. The highlight of the tour is a boat trip down the Colorado River past petrified forests, Indian ruins and writings. Before returning, you will have a hearty buffet lunch in a cool cave at the river's edge. The Frontier Airlines gateway city for this tour is Moab, Utah.

**4. CARLSBAD CAVERNS NATIONAL PARK, EL PASO, TEXAS AND JUAREZ, MEXICO** A fascinating three-day tour includes a one-day trip to the wonderland of stalactites and stalagmites which is Carlsbad Caverns National Park. Also included is a guided tour of the neighboring cities of El Paso, Texas and Juarez, Mexico during which you will visit a glass factory, a bull ring and the 300 year old Guadalupe Mission. You'll have plenty of opportunity to shop for Mexican arts, crafts and glassware. The Frontier Airlines gateway city for this tour is El Paso, Texas.

**5. YELLOWSTONE NATIONAL PARK** You can enjoy three-day or four-day tours through one of America's most popular and spectacular National Parks. Yellowstone is a 3,472 square mile wonderland containing some 200 geysers and a myriad of brilliant and startling hot springs, pools, mud pots and other thermal phenomena. Besides visiting Old Faithful, Frontier's tours include other geysers, canyons and cascades. The Frontier Airlines gateway city for these tours is Jackson, Wyoming.

**6. ROCKY MOUNTAIN NATIONAL PARK** There are 84 spectacular named peaks in Rocky Mountain National Park in Colorado rising at least 11,000 feet above sea level. On Frontier's three-day tour, you can see all of them. You'll go by bus through Big Thompson Canyon to Estes Park and then continue on to Rocky Mountain National Park via Trail Ridge Road, the highest continuous automobile highway in the world. Brief stops are made along the way to allow you to capture some of these magnificent vistas on film. All around you are evidences of the work of glaciers. And as you reach the top of Trail Ridge Road, at an elevation of 12,183 feet, you will marvel at the sight of lofty mountain peaks at your feet, and the Great Plains reaching to the east. The tour also includes sightseeing via Winter Park, Berthoud Pass, Idaho Springs and Clear Creek Canyon. The Frontier Airlines gateway city for this tour is Denver, Colorado.

**7. MESA VERDE NATIONAL PARK** Three-day or four-day tours take you to silent ruins where you'll capture a glimpse of what life was like in prehistoric times. Over 2,000 years ago, an ancient tribe of Indians came to the Mesa Verde area and established their homes among the cliffs and ledges of the canyons which criss-cross the Mesa Verde. Here they lived for more than a thousand years—and then disappeared. No one can say why these "old ones" deserted their cliff dwellings, but they left behind an awe-inspiring record of their lives and their cultures. Frontier's tour includes a bus trip to the cliff dwellings. On the agenda are visits to the famous Cliff Palace and Balcony House. Highlighting the tour is a ride on the Rio Grande Railroad's narrow gauge train through the spectacular "Switzerland of America" to Silverton, Colorado. This is the last scheduled narrow gauge passenger train in the West and the 45-mile trip along valleys and canyons presents a succession of super-scenic thrills. The Frontier Airlines gateway city for these tours is Durango, Colorado.

**8. MOUNT RUSHMORE** Frontier's four-day tour to Mount Rushmore National Memorial and the Badlands National Monument in South Dakota includes many memorable sights. You'll travel by bus through the Badlands where cliffs and buttes with knife-sharp spires are softly colored in bands of red, purple, green and white. Frank Lloyd Wright described this area as "an endless supernatural world more spiritual than Earth but created out of it..." Then, a trip through the Black Hills takes you to Mount Rushmore to visit America's "Shrine of Democracy." The faces of Washington, Jefferson, Lincoln and Theodore Roosevelt, carved out of the granite mountainside by Gutzon Borglum, are in proportion to figures 400 feet tall. The Frontier Airlines gateway city for this tour is Rapid City, South Dakota.

**9. SANTA FE / TAOS** A three-day tour takes you to the romantic and picturesque Santa Fe/Taos area. It is like another world where three cultures—Indian, Spanish and Anglo-American—are blended into a charming composite of past and present. Frontier's tour includes a 150 mile conducted tour to Taos Indian Pueblo, the only five-story inhabited pueblo in America. Highlights of the trip will include a tour of Taos, an old Indian-Spanish-American frontier town and visits to the Artist Colony, art galleries, museum and the home of Kit Carson, famous pioneer guide in the early West. The Frontier Airlines gateway city for this tour is Santa Fe, New Mexico.
