Fly Hawaiian

MORE FLIGHTS TO MORE PLACES

Kauai

The 555 square miles of this "Garden Island" are filled with the most exotic and colorful of tropical plants and flowers. Here are great canyons, glorious waterfalls, entrancing valleys • Hanalei Bay • Rice Fields • Waialeale.

Molokai

Known as the "Friendly Island," Molokai lies about 60 miles southeast of Honolulu. Contains two large pineapple plantations.

Oahu

Governmental, educational and financial center for the territory. As locale of Honolulu, the island is the principal port of call for trans-Pacific planes and ships. Waikiki Beach • Nuuanu Pali • Diamond Head.

Lanai

Contains 141 square miles. Owned by Hawaiian Pineapple Co. for use as a tremendous pineapple plantation. Highly productive.

Maui

Second largest island of the archipelago. Maui basks in her own special beauty. Here is Haleakala, largest inactive volcanic crater in the world. Here, at Lahaina, is Islands' original capital. • Lovely Hana • Iao Valley.

Kahoolawe

An "island of death." Used as target by fleet and bombers. Covered with unexploded shells. No one is permitted to go ashore.

Hawaii

Largest island of the group, its 4,030 square miles are filled with endless variety . . . warm weather, cold weather; tropical beaches, lush jungle growth; ginger bordered highways, age-old forests; lava wastes, fertile plantations; Christian churches, remains of ancient pagan temples; active volcanoes, snow-crowned mountains. Off the beaten track in Puna and Kona are many spots fairly steeped in Hawaiian tradition and history . . . for here much remains of the old Polynesia.
