CHILDREN'S FARE: Half of regular adult fare (ages 2 through 11 inclusive).

COMMON FARE

Passengers holding regular fare roundtrip tickets on scheduled airline flights from the Mainland, Canada or Alaska can turn their visit into a complete Hawaiian experience by using the \$13 (inc. tax) Common Fare for stopovers in the Islands of Hawaii, subject to routing and use regulations. The Common Fare changes your ticket to Honolulu into a multi-island journey at a charge of \$13 for each stopover on each island; and \$13 for any stopover in Honolulu (other than next connecting flight). Minimum charge is \$26. Hawaii residents may use this fare.

CONNECTIONS AND STOPOVERS

Regular fare mainland passengers may connect directly to any island without additional charge. On regular fare inter-island itineraries a charge of \$11.00 (inc. tax) will be made for each stopover. Definition of a stopover: A stopover is an intentional interruption of a trip by a passenger at a point or points between the city of departure and the furthest outbound destination.
