RESERVATIONS: All seats are reserved. Reservations are tentative unless tickets are purchased on or before the time specified by the company when it confirms your space. Please make reservations well in advance with the nearest office listed inside folder, or with your local Travel Agent. If your plans change, please cancel your reservation early.

RECONFIRMATION: Reservations (including the complete remaining itinerary) will be cancelled:

1. when the passenger's planned arrival at such point is on a date earlier than his scheduled flight departure date and there is AT LEAST TWELVE (12) HOURS between his planned arrival and his scheduled departure; or
2. when the passenger's arrival at such point is indefinite because he has not determined his means of arriving transportation and not so advised the company AT LEAST SIX (6) HOURS before his scheduled flight departure time.

UNLESS the passenger RECONFIRMS his intention to use his reservation by communicating with the company at such point AT LEAST SIX (6) HOURS before his scheduled flight departure time.

AIRPORT CHECK-IN TIME: Lake Central will cancel the reservations of any ticketed passenger who fails to present himself for "check-in" at our airport ticket office ten (10) minutes before scheduled departure time of the flight on which the reservation is held. (At Chicago, Ill., and Detroit, Mich., the check-in time is 20 minutes.) Passengers NOT holding confirmed tickets for a flight on which a reservation is held, must claim their tickets FIFTEEN (15) MINUTES before scheduled departure time, or such seats will be cancelled and made available to other passengers.

PROP-JET POWER

Lake Central Airlines starts its second decade of service in the Great Lakes-Ohio River Valley area by taking a giant step into the jet age - ordering five Allison Prop-Jet Convairs for delivery in 1960.

Lake Central's Board of Directors has also taken an option on 10 additional Prop-Jet Convairs from General Motors' Allison Division - a move which promises continued improvement in passenger service for years to come.

Allison Prop-Jet Convairs are standard 340/440 aircraft modified to use Allison 501 Prop-Jet Engines and AeroProducts Turbo-Propellers. In addition to conversion from piston engine to Prop-Jet power, the modification program includes new nacelles and other airframe changes, which bring the aircraft up to thoroughly modern jet-age standards.

When these 350-m.p.h. airliners enter service, Lake Central will offer the fastest scheduled local airline service in America.

The Prop-Jet Convair is a fully pressurized, completely air-conditioned 52-passenger aircraft that will fly our customers to their local destinations far sooner, far more rested and relaxed than ever before.
