Important Information

Check-In Deadline/Seat Reservation

Passengers are requested to check in 45 minutes prior to scheduled departure time. Era reserves the right to release reservations 10 minutes prior to scheduled departure time. Those passengers presenting themselves at the gate less than 10 minutes before the scheduled departure of their flight will be subject to cancellation, and denied boarding compensation will not be applicable.

Acceptance of Children

Children under 12 years of age receive a discount of 20 percent off the regular adult fare when accompanied by an adult. Children who have not reached their second birthday travel free when carried on the lap of an accompanying adult.

Your Baggage

a) Free Baggage Allowance/Acceptance

Era allows 2 checked pieces (under 70 pounds each) and one small carry-on that must fit under the seat. Separate hang-up areas for garment bags are not available. Any extra luggage will be subject to an additional charge and will be carried on a space available basis. All baggage must be plainly labeled with passenger's name and complete address.

"Special" baggage (i.e. guns, bicycles, fish, fishing poles, antlers, game, etc.) may have specific packing requirements. Please call ahead for further details. Baggage not meeting packaging requirements may be denied carriage.

b) Hazardous Materials

Medicinal and toiletry articles necessary for the passenger (not exceeding 75 fl. oz.) may be carried without prior approval. All other products labeled as corrosive, explosive, flammable, poisonous, and radioactive will not be accepted. Check with Era for complete information.

c) Acceptance of Animals

Era will accept for carriage animals shipped in appropriate airline containers. These may be purchased over the counter given advance notification. There is an additional surcharge for carriage of animals per industry standards.

Alaska Airlines Mileage Plan

Alaska Airlines Mileage Plan mileage may be accrued on all Era Aviation flights listed in this timetable.

Ticket Refund

Tickets purchased directly from Era Aviation may be processed only at Era locations. Tickets purchased from travel agencies must be refunded by the issuing agency.

Responsibility for Schedules and Operations

Era reserves the right to cancel or change schedules or fares and substitute appropriate equipment without notice. Schedules shown are based on expected flying times and departure/arrival times are NOT GUARANTEED. Era may, without notice, substitute alternate aircraft and, if necessary, alter or omit stopping places shown on ticket. Passage may be refused to any person when necessary to comply with government regulation, tariff rules or for reasons beyond the control of Era. Certain flight schedules may change during holiday periods. Consult Era for details.
