Golden West/High-freight!

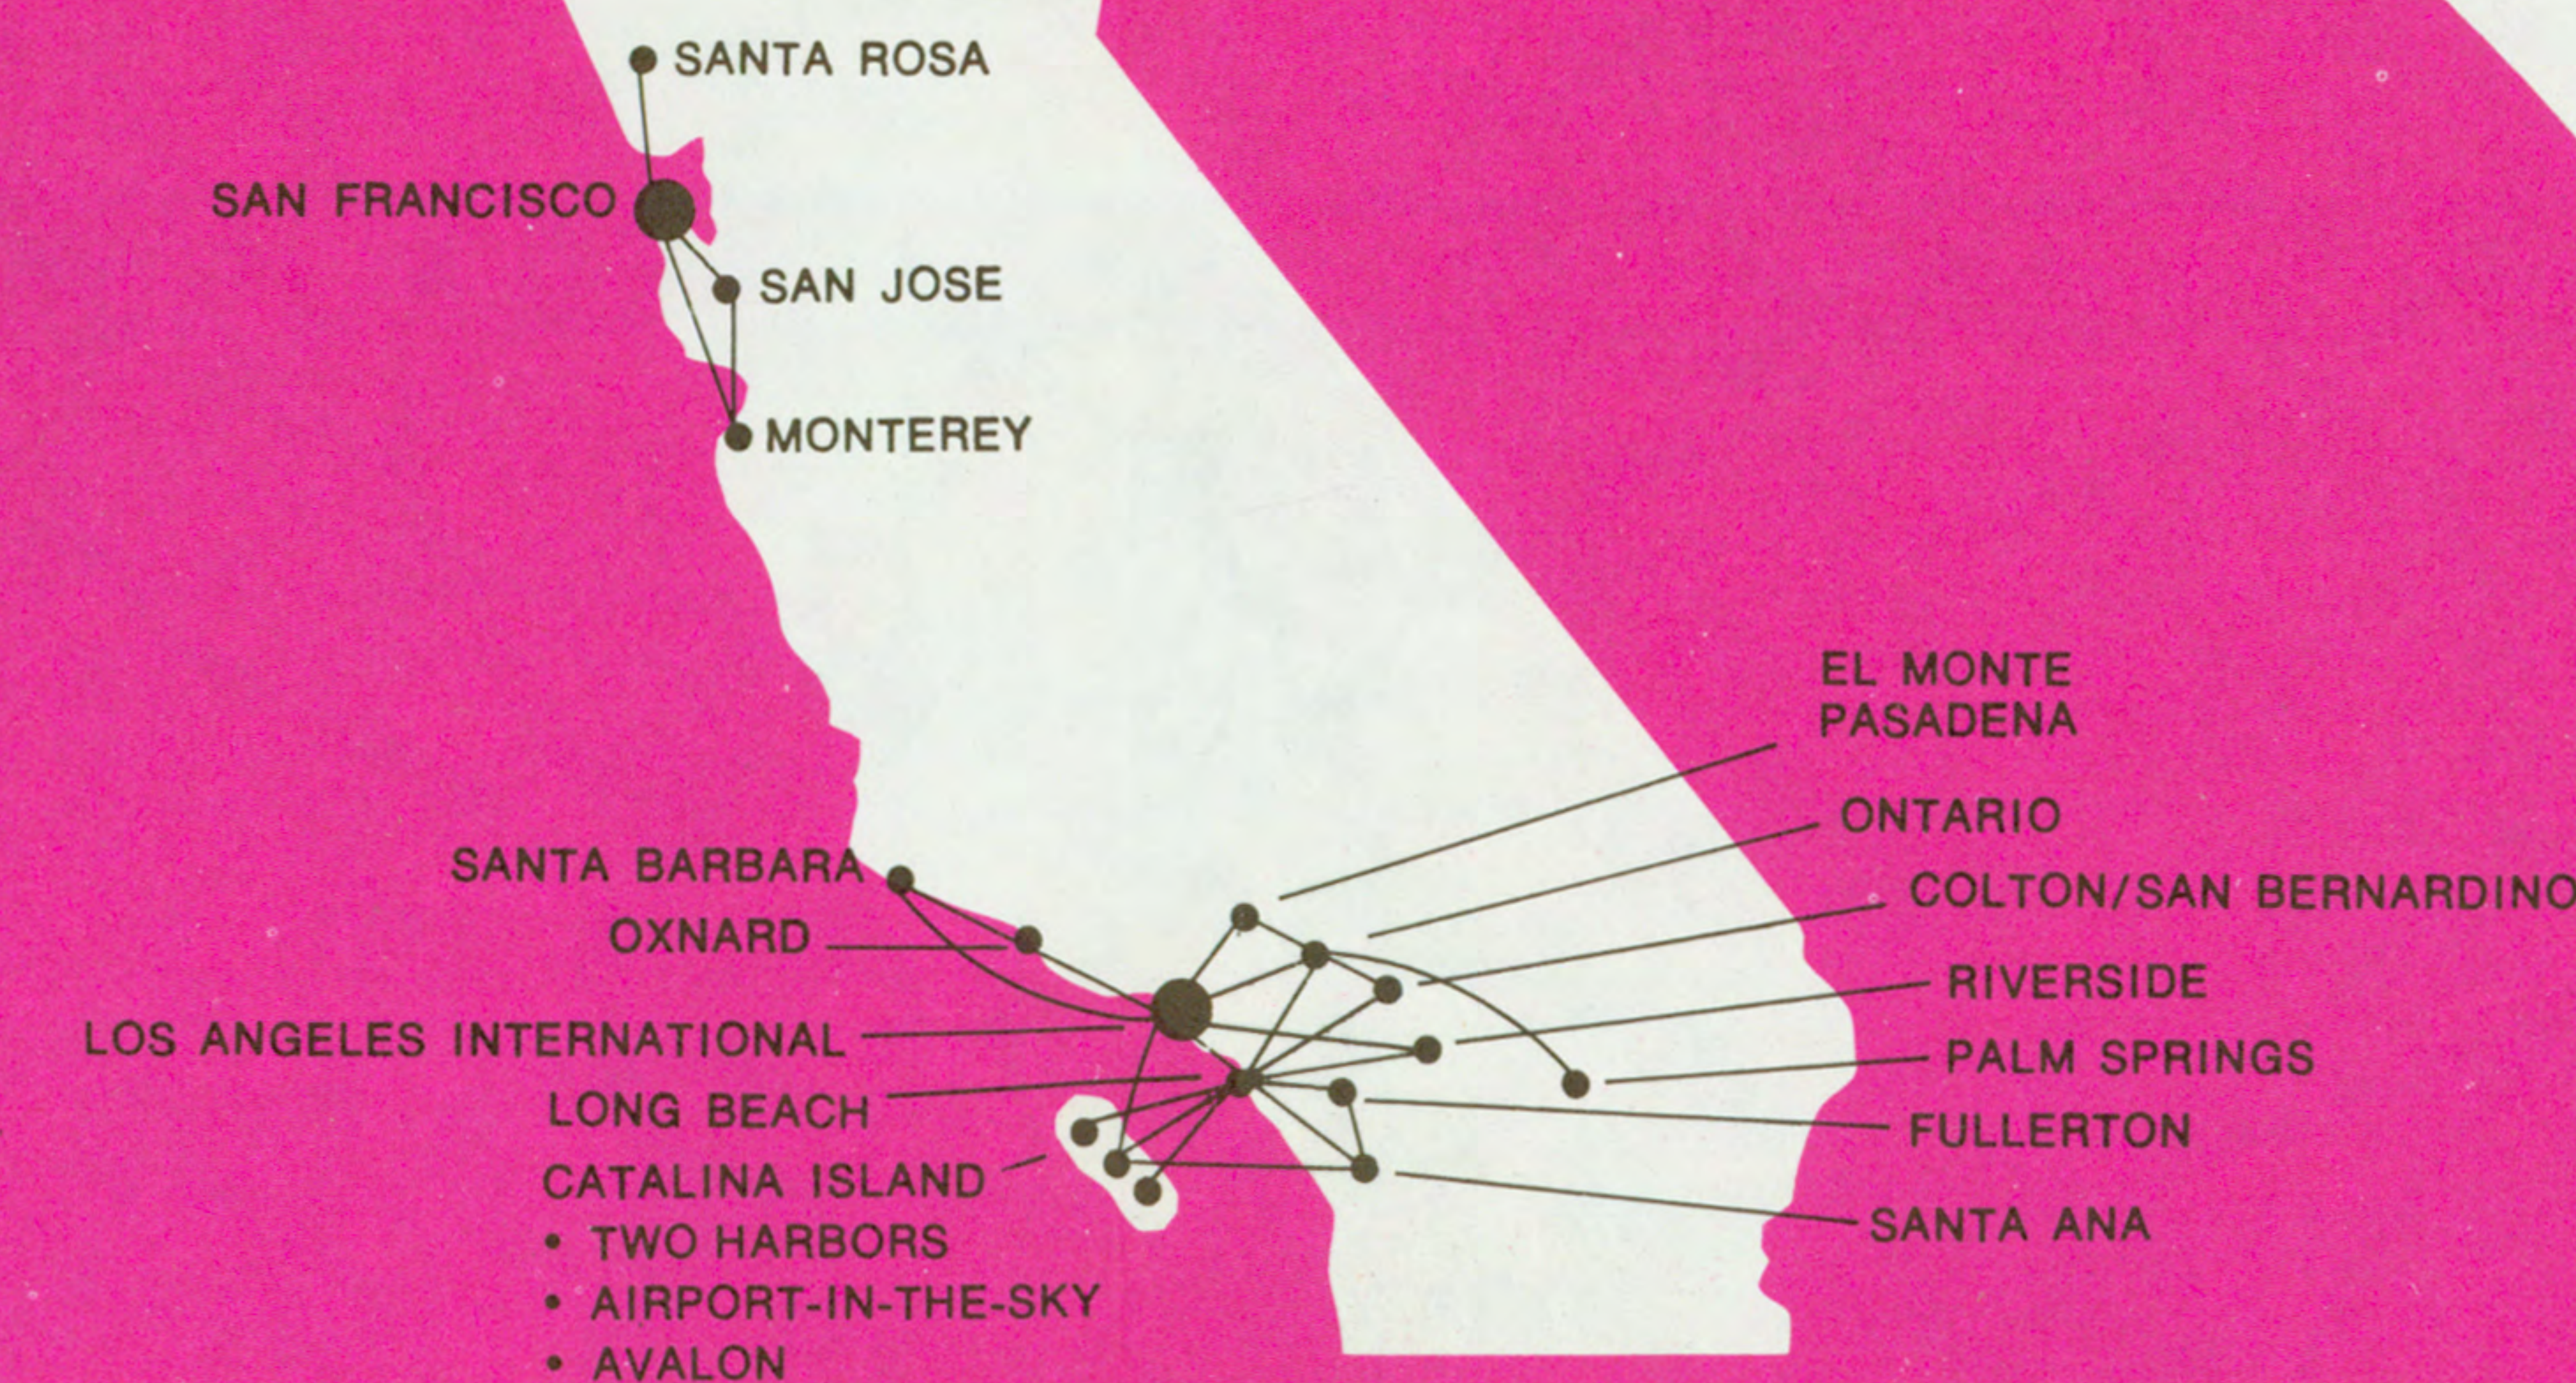

Why the only thing that kept the corrugated carton from smiling was its stiff upper lid.

That's what happens when you offer something as good as our new High-Freight service. Available on all our scheduled flights, it's the quickest, most convenient way to get your packages to connecting flights, to other freight forwarders, or simply from one Golden West city to another. And now there's High-Freight charter service, too. So call (213) 420-1451 and learn how your freight can find happiness on Golden West.

Smiling cartons even? Well no, not really. But we swear a small crate giggled once when it heard that it didn't have to ride from Riverside to Oxnard anymore in the back of a truck.

Golden West/Charter!

The real reason the lusty old sultan brought along all 18 harem honeys.

No, no. It's not what you're thinking at all. And you should be ashamed for having thoughts like that.

This sultan's not just a lusty old devil. He's a smart old devil, too. He knows that groups of 19 can charter a Golden West twin prop-JET and fly anywhere within a 150-mile radius for only \$13 each. Call (213) 420-1451 for the full story.

That reminds us. We've got to call the sultan. He'll have to stop adding to his harem. Or we'll have to get bigger planes.

Golden West/Military standby!

How the courageous young corporal's 3 day pass was magically turned into a 4 day pass almost.

Simple. By not driving to and from LA International, he got an earlier flight home and a later flight back. Had time for dates with Mary Ellen, Brenda, Joanie *and* Carolyn. Whew.

All he had to do to get our $\frac{3}{4}$ standby fare (minimum \$6) was wear his uniform and bring along his travel orders.

No problem. Mary Ellen, Brenda, Joanie *and* Carolyn just love the way he looks in his uniform anyway.

Golden West/to Catalina!

Escape . . . a romantic island just minutes away . . .
what are you waiting for?

One of the West's most fascinating places, Santa Catalina Island, lies just twenty minutes off the coast of Southern California via GOLDEN WEST AIRLINES.

This 22 mile-long island . . . with its massive rolling hills and abounding wild life (including buffalo herds, wild boar, and deer) . . . is reminiscent of the old west; only with the sea all around.

The picturesque town of Avalon on beautiful Avalon Bay still retains the gracious atmosphere of Santa Catalina's early Spanish heritage. And its sandy shores, crystal clear sea, and cliffs promise endless hours of fun and adventure. It would take weeks to enjoy everything, but even a day on the island is an unforgettable experience.

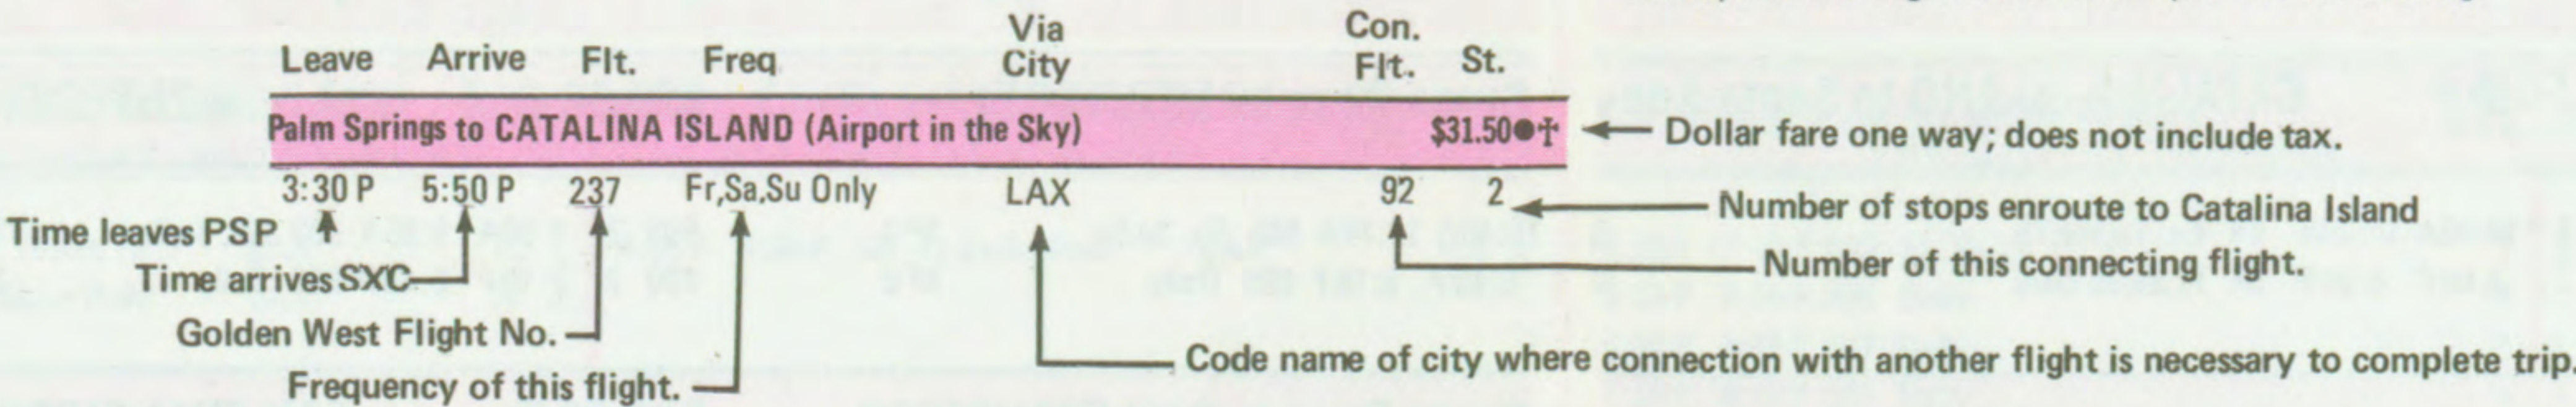

Make plans now for a Catalina Holiday of any length . . . and let GOLDEN WEST AIRLINES add still more fun, time and pleasure to your trip. Fly on our DeHavilland Twin Otters to the Airport-in-the-Sky high atop Catalina . . . or fly our world famous fleet of Grumman flying boats . . . which land and take-off on the smooth waters of Avalon Bay or Two Harbors.
