GENERAL INFORMATION

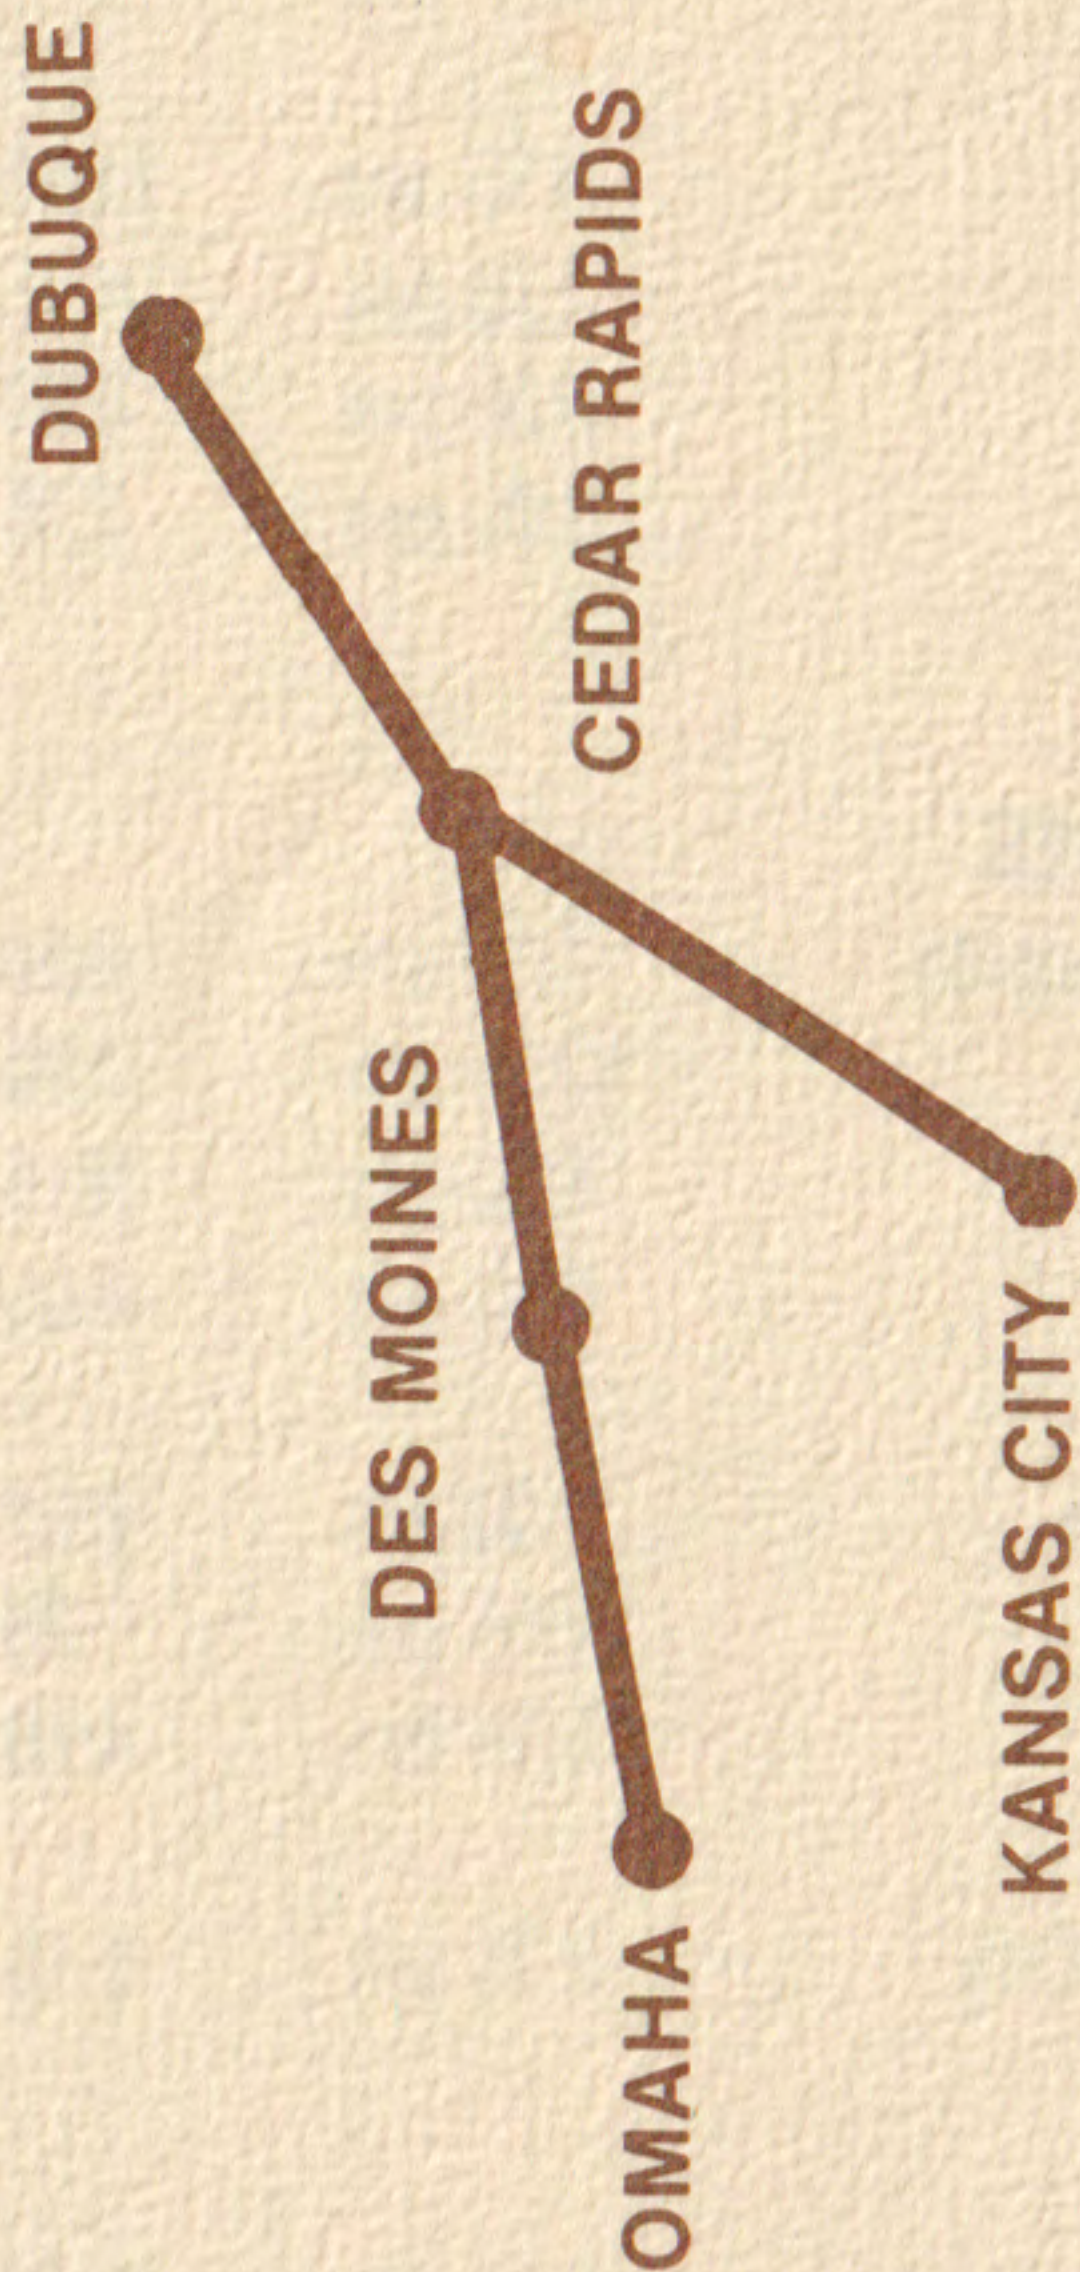

Schedule: Schedules are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed.

Ticketing & Check-In: Passengers with tickets should check in at the IOWA AIRWAYS' service counter 20 minutes prior to departure time. Passengers with reservations who intend to purchase tickets at the Airport should allow at least 30 minutes prior to departure time for processing and check-in. Your reservation is subject to cancellation if you fail to present your ticket at our ticket counter 10 minutes before departure time.

Baggage Allowance: Due to the size of our aircraft, we must ask you to limit your checked luggage to a maximum of two pieces, total weight not to exceed 40 pounds. For excess luggage rates, contact our Reservation Office.

Baggage Liability: Liability for the loss or damage of baggage is limited to \$1,250 per occurrence. IOWA AIRWAYS does not accept liability for the loss or damage of any items such as jewelry, negotiable instruments, currency, antiques, or other such items.

Charter Services: As an additional service, we also have available for Daily Charter an eight passenger Piper T-1020 Airliner and a 16 passenger Bandeirante Prop Jet. Both aircraft are equipped and maintained to IOWA AIRWAYS' exacting airline standards and flown by our professionally trained flight crews. For rate information and scheduling, contact our Charter Coordinator.
