BIMINI...famous among sport fishermen for generations with world record catches.

ANDROS TOWN...where former British Prince Neville Chamberlain allegedly aroused the wrath of the legendary "chickcharnies" tiny, red-eyed, tree dwelling elves, trouble-making cousins of modern gremlins

NASSAU...wealth of historic charm, modern sophistication and tropical atmosphere.

FREEPORT...offshore bunkering installations, special tax, customs concessions, and casinos makes it the "Monte Carlo of the Bahamas."

WEST END...enjoyed boom days during the era of prohibition in America, its docks piled high with whiskey waiting to be whisked across the Gulf Stream or shipped aboard large vessels to "Rum Row" near New York City.

MARSH HARBOUR, ABACO...Craftsmen are well known for their ship building and repair centres. This paradise offers excellent beaches, fishing and that nice unhurried atmosphere.

GREEN TURTLE CAY, ABACO...the community has an air of a neat New England village in a tropical setting accompanied by good beaches and rolling hills affording a pleasant vista over ever changing waters.
