Responsibility

Flight schedules are for information only. Mesa Airlines reserves the right to change or cancel this schedule without notice. Weather and other factors may affect operations; therefore, departures and arrivals cannot be completely guaranteed.

Critical medicine or other items necessary for your health and well-being should remain in carry-on luggage whenever possible. Excessive baggage will be charged \$25 per bag and will be carried on the first flight with space available. Passenger name identification must be placed on the outside of all checked baggage.

Liability

Baggage value will not exceed \$1250.00 per full-fare passenger unless a higher value is declared and baggage is shipped as cargo. If baggage is interlined to another airline, the lowest maximum liability per full-fare passenger will be applied.

Mesa Airlines

Will not be responsible for loss or damage to jewelry, negotiable items, currency, antiques, radios, video equipment, cameras, perishable and fragile items, or for normal wear and tear. This list is by illustration and not by limitation. For further restrictions, please refer to the airline's Contract of Carriage available at any ticket counter.

Restricted Articles

Acid, lighter fluid, explosives, flammable solids/liquids, oxidizing materials, compressed gasses, poisons, etiologic agents, radioactive materials, irritating or incapacitating sprays must not be carried in baggage or on board.

Check-in-Time

Passengers are requested to arrive at the check-in area 30 minutes before departure time. Boarding cannot be guaranteed if arrival is past that time. Reservations are subject to cancellation if you have not checked in 10 minutes prior to your scheduled departure.

Please Don't Be A "No-Show"

If you are unable to use your reservation, please let us know. When your plans change or you decide to travel by some other means, we welcome a telephone call so we can confirm a seat for another passenger.

How to read this table:

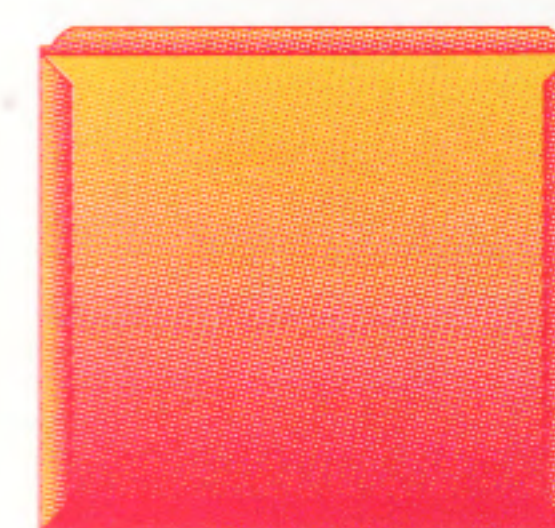

The Flight Number is in the far left column. In the next column you'll see either a 0 (non-stop) or a 1 (one stop). The next column tells you the Frequency of the Flight. The first-time column indicates the Departure time. And the far right column is the Arrival time.
