AIR FREIGHT

Metro offers dependable air cargo service on all scheduled flights. You can save hours in surface delays by arranging through Metro to have your shipments flown "all the way by air" from origin to destination. For more information and applicable rates call any of the Air Freight numbers listed in this brochure.

METRO EXPRESS

Metro Express is the ideal way to ship business or personal items that must be somewhere in a hurry. Just bring your parcel to your local Metro Terminal 30 minutes prior to the desired departure. Then, make arrangements to have the package picked up at the other end. Your package gets the next flight to any Metro destination - for just \$15. If your package is going further we have interline arrangements with major airlines serving Dallas-Fort Worth and Houston Intercontinental that will get that item to any major air terminal in the country, usually on the same day - for \$15, plus an additional tariff on the connecting airline. If your parcel misses a specific flight for reasons other than weather or mechanical problems, we'll refund 40% of the charge. Package weight is limited to 50 pounds, and three outside dimensions to 90 inches. Maximum insured value is \$500, with no perishables, hazardous materials, or animals allowed. All service is pre-paid (cash, credit card, or Government Bill of Lading,) and consignees provide pickup service. Call any of the Air Freight numbers listed in this brochure.
