We're Starting The Day Right For You!

WE'RE ASKING OURSELVES...

WHAT CAN WE DO to better serve travelers and shippers by air?

WHAT CAN WE DO to prove we're a "customer caring" airline?

WHAT CAN WE DO to avoid delays...to operate on time?

WHAT CAN WE DO to sell more people on flying The Metro Way?

AND THEN WE'RE DOING IT! Come fly with us. See for yourself. We know tomorrow's business depends on how well we serve you today. For word-of-mouth advertising is important. Very important. That's why we say to our employees: "As one of the nation's leading regional airlines, we have but one objective: To serve our customers well under any and all conditions. So do your part. Carry your load. And more! It's the one sure way to make Metro what we all want it to be — a customer caring airline."

To maximize safety in the air, the Federal Aviation Administration may, from time to time, delay flights on the ground or in the air. Should this ever happen to you, please do not blame our flight crews and ground personnel. We can assure you, they have the desire and commitment to keep your flight on time. Your understanding and cooperation when exceptions occur will be greatly appreciated. Have a great day!

Dependability is our commitment!
