Metro Airlines, Inc. is an aggressive, rapidly growing regional airline dedicated to providing quality, dependable air service to 23 outlying communities and 4 hub airports in Texas, Oklahoma, Louisiana and Arkansas.

Our fleet of 21 aircraft fly nearly 1,500 flights per week carrying in excess of 650,000 passengers per year into and out of the hubs located in Houston, Dallas / Ft. Worth, Oklahoma City and San Antonio.

Metro Airlines is a vital source of interconnecting traffic for major airlines.

The importance of this is reflected in the favorable arrangements with major airlines by which they provide Metro with ticketing, baggage, reservation and terminal facilities. Metro has such arrangements with Eastern Airlines at Houston and San Antonio and American Airlines at Dallas / Ft. Worth and Oklahoma City.

Since our beginning in 1969 we have grown to become one of the Nation's largest regional air carriers.

During our coming fiscal year we shall examine new hubs and routes for continued, well planned, profitable expansion.
