GENERAL INFORMATION

GENERAL INFORMATION (Cont'd)

1. Reservations & Ticketing

Reservations may be made and tickets obtained for all scheduled flights thru your Travel Agent, your Company Travel Department, SATO Office, originating airline or at any Metro Airlines Ticket Office.

2. Passenger Fares

Next to saving you time, Metro's low cost "Joint Fares" with connecting airlines save you money. Ask about Metro's money-saving Family Plan, military, roundtrip excursion fares and economy fares.

3. Check-In For Flights

To provide on-time service, passengers are requested to check-in for all flights at least 30 minutes prior to scheduled departure. Reservations not claimed 5 minutes before scheduled departure (including passengers with tickets) may be cancelled and passenger placed on standby.

4. Baggage Information

Free baggage allowance with each passenger ticket is three (3) pieces, including carry-on, with dimensions (length-plus-width-plus-height) not to exceed 62 inches for the first piece, the second piece not to exceed 55 inches and the third piece (including additional pieces) not to exceed 45 inches. Checked baggage in excess of the free baggage allowance will be carried, space and weight permitting, and will be charged in accordance with applicable tariffs. Metro assumes no responsibility for local delivery of "additional baggage" at destination airport. Carry-on (hand carried) articles must be loaded in the rear baggage compartment of the Twin Otter Aircraft as you board. On Metro's Shorts 330 and Convair 580's carry-on articles may be brought into the passenger cabin and must be placed either under your seat or in the overhead enclosed compartments. All unchecked carry-on articles must be claimed and removed upon deplaning.

5. Air Freight-Metro Express

Every flight in this timetable carries air freight and priority "Metro Express" shipments.
