Midway
AIRLINES

Midway Airlines. The Newest Jet Fleet of Any Air Carrier in the United States.

At Midway, we are proud to be adding larger, longer-range Airbus A320 aircraft to our fleet of Fokker F100 jets. The result is a Midway fleet that averages less than two years old, with some of the quietest cabins in the air. It's as clean and fuel-efficient as any in the sky—flown by seasoned professionals who know its every capability and understand how valuable your business is to us.

The Perfect Planes are Only the Start of the Perfect Flight.

Midway Airlines isn't just about new equipment and advanced technology. It's about giving customers a truly comfortable flight. That might sound hard to believe, but once you fly Midway, you'll see what we mean. Our seats are a little wider than you'd

expect. Hanging bag storage and the unusually large overhead bin space, work together to keep underseat areas clear for more legroom. And once in the air, you can count on healthier meals, snacks and gourmet coffee, plus a hot towel and breath mint at the end of every flight. All this at surprisingly reasonable fares. Feel Like Flying Again—that's what Midway Airlines is all about. For Midway reservations and flight information, call 1-800-44-MIDWAY (1-800-446-4392) or 1-800-656-5676.
