IMPORTANT NOTICE

For many years, you and the scheduled airlines have been up against the problem of no-shows and individuals who cancel their reservations too late to free their seats for others. Now to serve you better the airlines have a new **CONFIRMED TICKET PICK UP** policy which requires you to have your reservations recorded on your ticket within an agreed upon time. This plan has been adopted by all the scheduled airlines to help you get reservations when you want them.

Here's how the "Confirmed Ticket Pick Up" policy works: — The airlines will be aided tremendously in providing your reservations when you want them — just follow these simple rules:

1. Pick up your **Confirmed Ticket** — indicating your positive reservation — by the time agreed upon between you and your airline. The airline will be specific about this agreed upon time; otherwise, your airline is obligated to cancel your reservation.
2. Take advantage of the many convenient new ways now available to you for securing your confirmed ticket. Your airline or travel agent will gladly describe the specific methods for you.
3. In your own interest, cancel your unusable reservation as soon as you know you will not be needing it.

Thank you for your co-operation.
