GENERAL INFORMATION

AIR COACH SERVICE—Skylark Coach provides maximum comfort at low coach rates. Round-trip fares on Skylark Coach are twice the one-way fares. Not applicable on Skylark Coach; round-trip discounts, Family Plan discounts, and stopover privileges.

AIR TRAVEL PLAN—A convenient world-wide method for charging your air transportation ticket. Contact any Northeast Airlines Office for detailed information.

BAGGAGE ALLOWANCE—The term "baggage" shall mean all luggage including brief cases, portfolios, parcels, camera equipment, portable typewriters, and similar articles to be checked or carried aboard the aircraft. Forty (40) pounds is the free allowance for First-Class or Coach Travel in or between the United States and Canada. Baggage in excess of the free allowance may be accepted at a charge of one half of one percent of the applicable First-Class, one-way, adult fare, per pound, when travel is in or between the United States and Canada.

NO-SHOW PENALTY—If you hold a reservation and have purchased your ticket, but fail to use your seat, you will be considered a "no-show" and you will be required to pay a $3.00 no-show penalty.

CHILDREN—One child under two years of age and not occupying a seat will be carried free of charge for each passenger paying a full fare. Children two years of age, but under twelve may travel at half rate when accompanied by a passenger paying a full fare. Children five years or older travelling alone (subject to special arrangements—ages 5, 6 or 7) will be charged the full adult fare.

CONFIRMED TICKET PICKUP POLICY—The Confirmed Ticket Pickup Policy adopted by all scheduled airlines, is employed as an instrument to promote even better service for air travellers. Here's how it works:

1. Purchase your confirmed ticket indicating your positive reservation, by the time agreed to with your Northeast Agent. Otherwise, Northeast is obligated to make the space available for sale to others.
2. Take advantage of the many ways available for securing your confirmed ticket. Northeast Airlines, or your authorized Travel Agent, will gladly explain the specific methods.

FAMILY PLAN TRAVEL—Here's how it works: Simply purchase one full-fare one-way first-class ticket for yourself, for a Northeast flight scheduled to depart no earlier than midnight Monday, or not later than midnight Thursday. Then purchase at one-half the one-way first-class fare tickets for your wife (or husband) and/or children under twenty-two (22) years of age to accompany you. One youngster under two, who does not occupy a seat, may accompany your family at no extra cost.

INSURANCE—Trip insurance is available at all airport offices.

LOST AND FOUND—Report lost items to your nearest Northeast Office or write: Northeast Airlines, Inc., Lost and Found Department, Logan International Airport, Boston, Mass.

RECONFIRMATION—When you travel to a city by air or other means, you must reconfirm your continuing or return reservations, if you will stay over-night or longer. Your reservation will be cancelled 6 hours prior to departure. Reconfirmation is not required if time between planned arrival time and scheduled departure time is less than 12 hours.

TICKET REFUNDS—Tickets may be refunded at any Northeast Airlines Office, or mailed to: Northeast Airlines, Inc., Ticket Refund Department, Logan International Airport, Boston, Mass.

NORTHEAST AIRLINES FLIGHTS AT LA GUARDIA FIELD

Northeast Airlines is operating flights from two terminals at LaGuardia Field, New York. Trips are scheduled at gate 11, the Domestic Terminal, and gate 2, the Marine Terminal. The Marine Terminal is located on the west side of LaGuardia Field, a few minutes ride from gate 11. A shuttle service is provided between these two points for all connecting passengers. Connections require 45 minutes between scheduled plane arrival and departure.

Northeast Airlines' passengers from the East Side Airline Terminal in Manhattan will take the Carey Coach Service direct to the terminal from which their flight departs. Passengers making their own way to the airport should either drive or taxi directly to the Domestic Terminal or the Marine Terminal.

The addition of the gate 2 terminal eases conjestion at gate 11. Also, planned renovations for the entire LaGuardia airport will soon dictate the need for this additional space for better passenger service.
