Starting the New Year—

The year, 1955 offers a new challenge for Ozark—new goals to achieve in serving the public.

During the past year, approximately 158,000 passengers used Ozark—nearly 33,000 more passengers than in 1953. Since the start of scheduled operations on September 26, 1950, Ozark has flown 421,000 passengers with a perfect record of safety.

A goal of serving 200,000 passengers in 1955 by Ozark appears to be realistic. To achieve this goal, Ozark will strive to provide the most convenient schedules possible and the most reliable and courteous service, so that we may merit the support of all.
