PASSENGER INFORMATION

SCHEDULES—Schedules shown are expected departures and arrivals, as planned at the time of publication and are subject to change without notice. Actual times should be confirmed when making reservations. Because weather and other factors may affect safe operating conditions, Ozark can't guarantee its schedules or accept liability for delays in flight arrivals or departures, or for missed connections. In the event of delays, we will work to minimize any inconvenience to you.

HOLIDAY SCHEDULES—During holiday periods our schedules may be adjusted slightly. Please check with your local Ozark ticket or Reservation Office for any changes or cancellations.

RESERVATIONS/TICKET PURCHASES—Advance reservations are recommended and may be obtained for any flight by contacting Ozark Air Lines or your travel agent. For your convenience, most tickets may be obtained directly through the mail. Simply ask an Ozark reservation agent about the ticket-by-mail program. Reservations are subject to cancellation if tickets have not been purchased at least 30 minutes prior to departure or prior to the time agreed upon at the time the reservation was confirmed with the airline. It is to your advantage to purchase your tickets early. Once you have purchased your ticket and as long as you do not change your flight or date of travel, your fare will be guaranteed even if the fare increases before you travel. Seats may be reserved onboard the aircraft for travel up to 29 days in the future. Boarding passes may also be obtained for travel up to 29 days in the future at any Ozark ticketing or check-in location.

CHECK-IN TIME—All ticketed passengers not in possession of a boarding pass should be at an airport ticket lifting point to obtain their boarding pass at least 30 minutes prior to departure of their flight. Reservations may be cancelled if the passenger has not presented himself at the loading gate at least 10 minutes prior to scheduled departure time, rendering him ineligible for denied boarding compensation.

BAGGAGE—Federal Aviation Administration Safety Regulations require that all baggage that cannot be stowed under a seat or in an approved overhead or carry-on compartment must be checked. Approximate dimensions for under seat stowage is 9" x 15" x 21". All checked baggage is required to have the passenger's identification on the outside. Baggage identification labels are available free of charge from Ozark Air Lines.

PASSENGER INFORMATION (CONT'D).

For travel within the United States and Canada, each ticketed passenger is entitled to have the following pieces of baggage carried free, provided no single piece weighs more than 70 pounds:

1. One piece of baggage with total linear dimensions not exceeding 62 inches (L + H + W).
2. One piece of baggage with total linear dimensions not exceeding 55 inches (L + H + W).
3. One or more pieces which measured together do not exceed 45 inches in total outside dimensions (L + H + W). Such pieces may be carried on board if they remain in the passenger's custody and can be stowed under the passenger's seat.

Excess baggage for travel within the United States and Canada will be accepted, space and weight permitting. Payment for excess baggage will be charged in accordance with the rate table published by Ozark Air Lines.

For international travel, varying free allowances and excess baggage charges apply. Contact Ozark Air Lines for information.

BAGGAGE LIABILITY AND CLAIMS—Unless extra value is declared and charges paid before departure, Ozark Air Lines liability is limited to \$1250 per passenger or the actual value thereof, whichever is less.

RESTRICTED ARTICLES—The following articles are classified as hazardous and must not be in baggage: compressed gases (excluding aerosol containers for personal use), corrosives, explosives, flammables, oxidizing materials, poisons, briefcases with installed alarm devices, radioactive and magnetic materials and all other items restricted by government regulations. AM and FM radio receivers and TV receivers may not be operated during the flight, as they might interfere with navigation and communications equipment.

ALCOHOLIC BEVERAGES—Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages on board an aircraft unless they have been served by the airline. Ozark Air Lines will only serve alcoholic beverages provided by our commissary for use inflight, and no such beverage may be served to any person who appears intoxicated.

PASSENGERS REQUIRING ASSISTANCE—Government regulations require that any person who has a physical or mental impairment, disability or condition of such nature that they may need assistance in the event of an emergency must notify Ozark at least 24 hours prior to their scheduled departure. Passengers who may require oxygen for medical purposes must contact Ozark to make all necessary arrangements at least 48 hours prior to scheduled departure. We suggest that this information be provided at the time you book your reservation.

CHILDREN—One child under 2 years of age, not occupying a seat and accompanied by a fare-paying passenger over 12 years of age, will be transported without charge. Children under two years of age occupying an FAA approved child restraint device and children ages 2 through 17 may be eligible for various discounts, provided certain eligibility and travel requirements are satisfied. Please contact Ozark Air Lines for further information.

RESPONSIBILITY FOR DEPARTURES, ARRIVALS, CONNECTIONS—Ozark Air Lines will not be responsible for damages resulting from the failure of flights to depart and arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this company. In case of flight irregularities, certain amenities may be provided in accordance with the carrier's rules. Consult an Ozark Agent for details.

EQUIPMENT—The aircraft to be used on scheduled flights is subject to substitution by other aircraft as availability and service requirements may demand.
